

The image features a full-page abstract design. It consists of thick, irregular, wavy lines in a vibrant orange color set against a plain white background. These lines flow and swirl across the page, creating a sense of movement and depth. In the lower right quadrant, the word "pennon" is printed in a dark, bold, sans-serif typeface. The overall aesthetic is modern and graphic.

Predominant in the year of 1965-66 was performance, excitement and spirit. The Pennon Staff wanted a theme that would express all these facets. After gathering of ideas, arguing and planning, it was decided that the theme "Wherever you look" would be the best to show all La Serna merits.

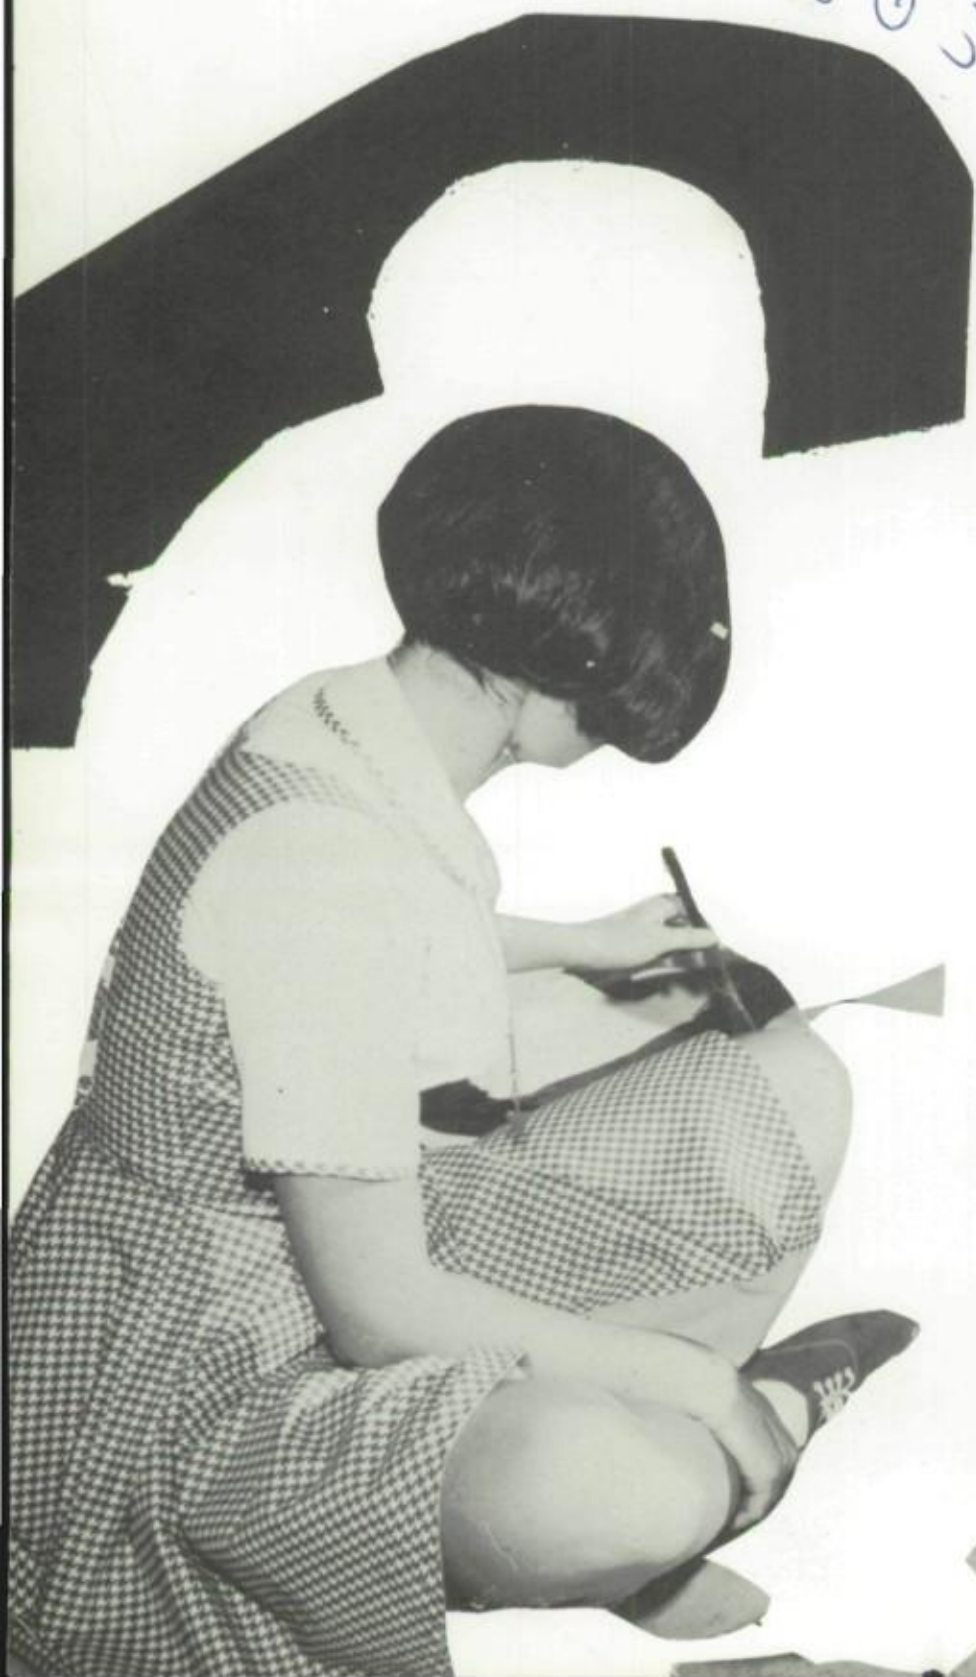

Wherever you look, you will see guidance, achievement, and leadership which makes La Serna the distinguished school it is. Wherever you look, you will see La Serna's students raising standards in academic grades, appearance, and in athletic accomplishment. Wherever you look throughout La Serna, you will see perfection, progress, and pride in each individual student.

A million thanks to Mr. Brennan who guided the staff over the rough spots and Mr. Francisco who came through when the going got tough.

The cover was picked for its expression of a modern school with modern ideas. It was one of those picked from the Cover Design Contest.

The Pennon Staff sincerely hopes that this year's Pennon will be a yearbook that captured the thrilling years of 1965-66 successfully.

VER YOU LOOK

Becky Uvalle and Tom Sawyer smile after being crowned the Friendliest Freshmen.

Fall

"Wherever you look"—the anxiety of school starting especially for the new freshmen—Becky Uvalle and Tom Sawyer named Friendliest Freshmen at the How-do Hop—the tension rising as football captain Ned Andrews placed the crown on Homecoming queen Nancy Jensen—the fun and frolic of Petticoat Pandamonium this year's Feminine Frenzy—the dramatic and touching scenes from this year's fall play, "The Miracle Worker"—these and all other activities helped the year 1965-1966 start off.

Lancer dancers living it up at the How-Do-Hop.

To welcome the freshmen at the How-Do-Hop the band plays spirited songs.

One of the many posters to welcome back the alumni.

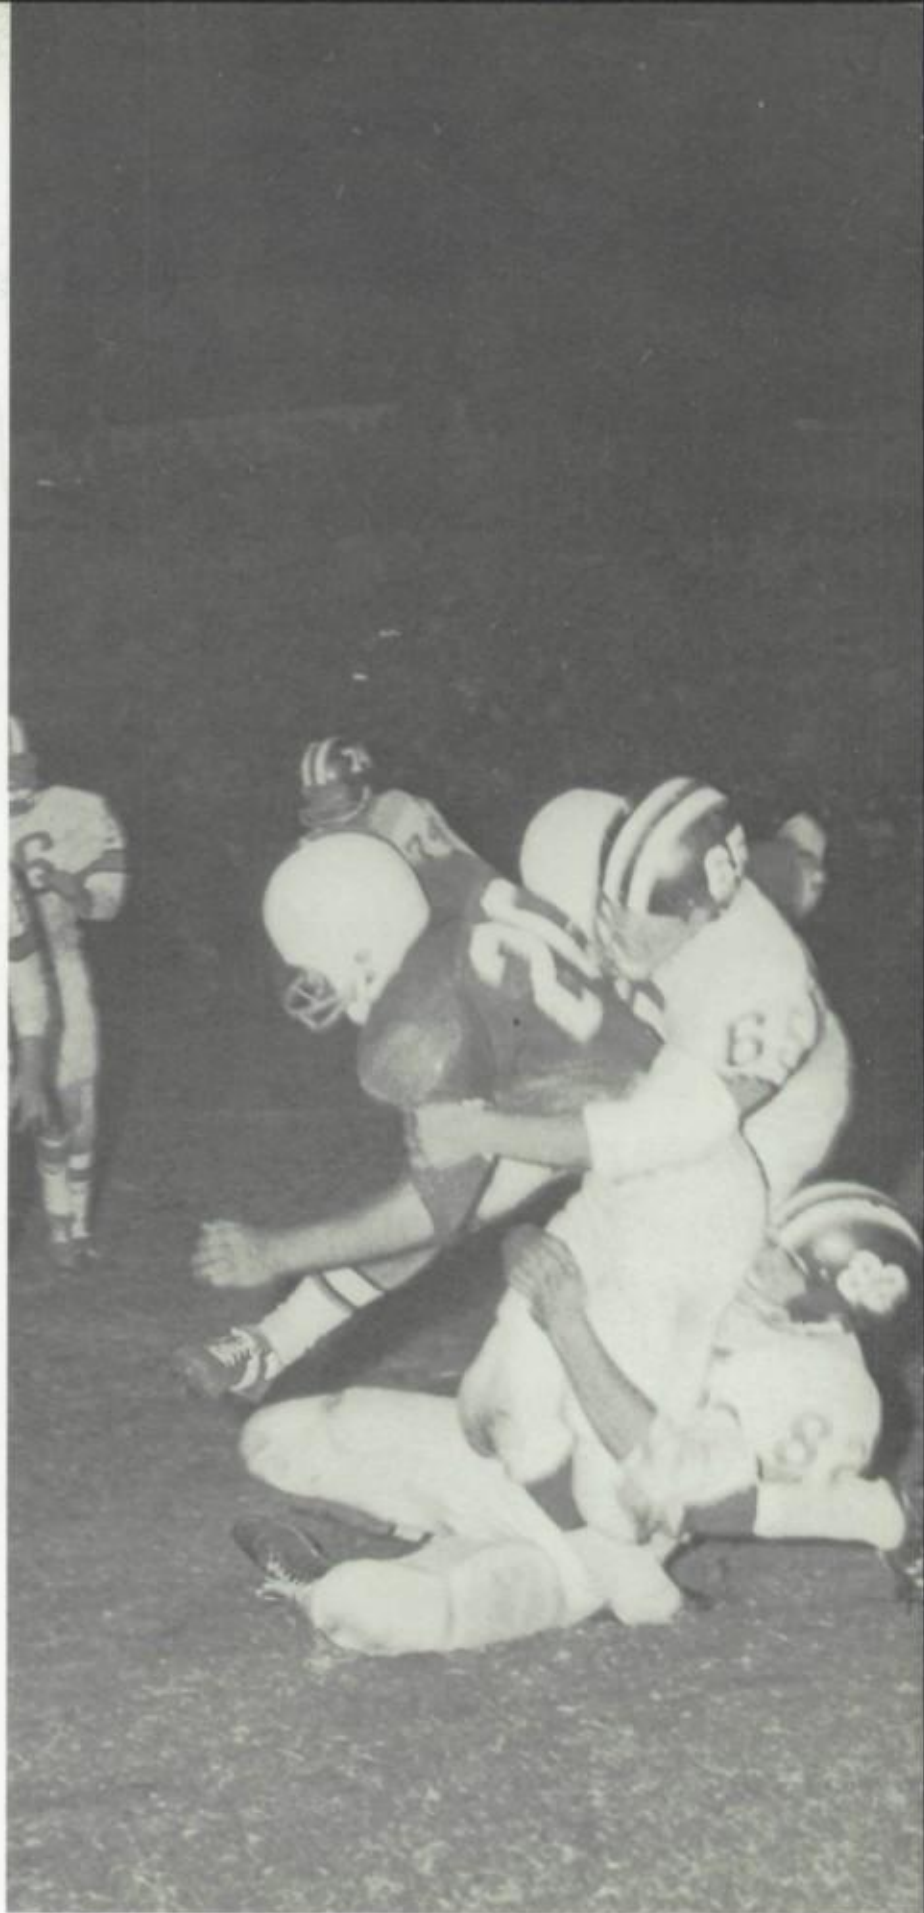

Sophomore Steve Robinson, won the outstanding freshman award for the year of '64-'65.

After hours of rehearsing the Fall Play, "The Miracle Worker," was very successful.

An addition to fall was the enjoyable Feminine Frenzy.

It takes two opponents to tackle La Serna's spirit.

Couples dance to the rhythm of "The Banned" at the Homecoming dance.

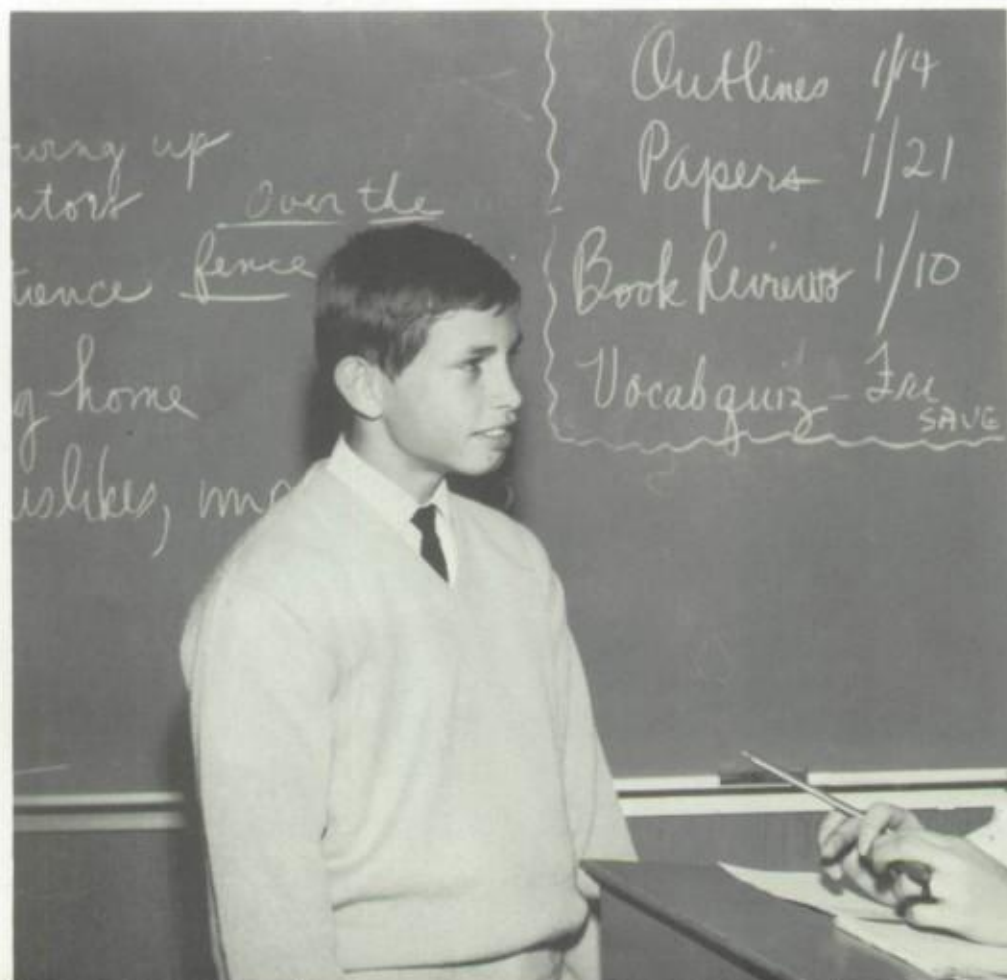

Songleaders leading spirited pep assembly.

Parents and teachers enjoyed the Hi-Jinx show.

Freshman getting acquainted with new teachers.

At the magnificent Jester Harrison assembly, the whole student body joins in singing and clapping.

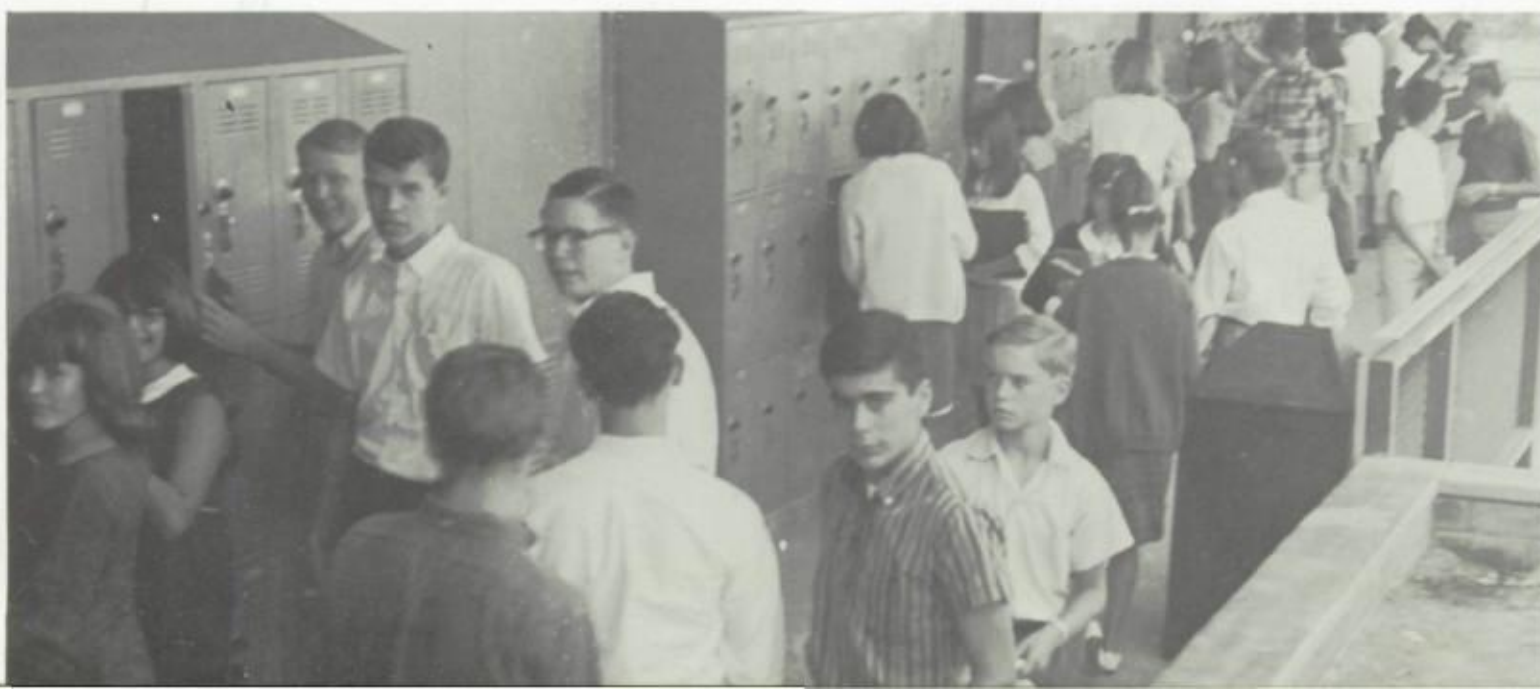

Centurians work at all school events. Students police themselves.

Life Science students preparing for lab.

Freshmen getting acquainted with new lockers.

Look, a clean campus!

Gordon and Wayne add a lively touch to the hootenany.

Many Lancers enjoy skiing as an extracurricular activity.

WINTER

At the tug-of-war the freshmen and the sophomores tried hard but the juniors pulled harder and won.

One of the seniors who graduated at the semester, Pat Le Flore, diligently studies during lunch hour.

Two of the Freelancer staff, Judy Stone and Gayle Semrad, visit Santa the day before Christmas.

Dennis Randall, Kathy Johnston, Verlene Barney, and Charles Erringer arrange their first place display that they won in the contest sponsored by the Business Council of Southern California.

Helping Eddie Smith, counselor Norman Coffey discusses next year's schedule during Spring counseling.

A tense moment in basketball, our team striving to get "that ball."

Two Juniors, Karen Roy and Mike Andresen, seem intent upon their conversation, whatever it may be.

During the fairly sunny days of Winter—we enjoyed two beautiful weeks of Christmas vacation of which we all hoped would never end—there was the Girls' League dance "The Royal Ball" to remember—the competition of the March of Dimes Week—the seniors' tremendous display of spirit during Pep Week—those horrible finals and then to top it off, report cards at the semester—seniors graduating at the semester and leaving for the "Outside World"—the Redheads added to our exciting basketball season—two days' vacation for counseling—this was the action of Winter 1966.

Pep rallies, assemblies, and all the excitement makes school really fun.

One of our Lancers tags a Condor man. Great going, Lancers!

Another fascinating film taken and narrated by John Goddard, from the Philippines.

SPRING

Spring shows up on campus: Nature blossoms on March 21.

Kim Polk models flowered bell bottoms with a long turtle neck poor boy at the AFS Fashion Show.

Spring is a happy time of the year when April showers bring May flowers and blossoms on the trees — the Spring A.F.S. Fashion Show was a success and its proceeds will bring us another foreign exchange student — our annual John Goddard film was interesting as always — the moving patriotic assembly with Col. Cunningham's film from Viet Nam and Stephen Koop's speech "Law and Liberty" — "take me out to the ball game" and let's see those Lancers blay ball — two graduates

received scholarship grants from the earnings of the annual Basketball Carnival — finally the long awaited Spring Vacation — the campus tensions during student body elections and voting — happiness of the chosen officers — the unforgettable night of the Junior-Senior Prom — the fabulous musical "The Sound of Music" — ultimately the VERY LAST DAY OF SCHOOL and (sigh!) SUMMER AT LAST.

For many, Easter Vacation was spent lazily at the beach and surfing. During the summer the beaches will be crowded in the same manner.

Mr. Francisco looks over quality photos. He provides pictures for the annual, newspaper and magazine.

Mr. Brennan talks with Mr. Francisco about this year's fantastic deadline.

Backbone of the Pennon

Two factors have kept the annual staff running smoothly and making our deadlines. These men to whom we have given this page of our appreciation are Mr. Brennan, supervisor of Annual Staff, and Mr. Francisco, head of the Photography Department. For five years, both have given valuable time, effort, and guidance unselfishly which helped tremendously toward

the production of the annual. Each year the annual has improved through Mr. Brennan's artistic ideas and Mr. Francisco's quality photos. Although Mr. Brennan is leaving, the new instructor and Mr. Francisco will carry on with the tradition of publication excellence.

Annual staff members diligently work making up for lost time the day before the deadline.

Our Friends from Abroad

Various countries are represented in our foreign exchange students, who have stayed one year in the United States to learn of our ways and customs.

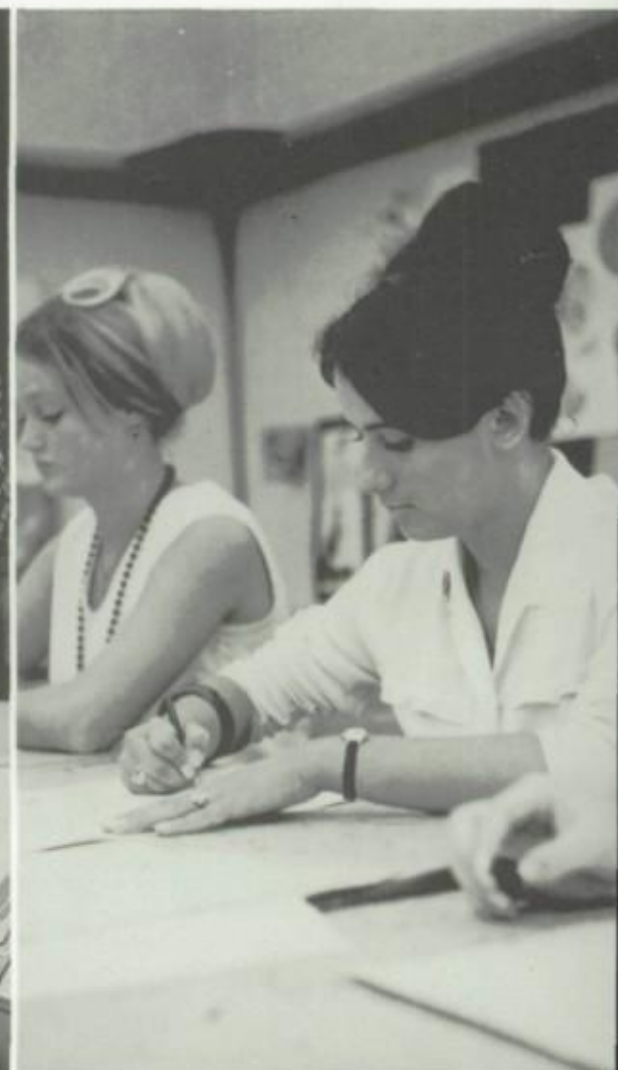

This year we at La Serna are very privileged to have eleven foreign exchange students here sponsored by the Youth for Understanding Program. The eleven are as follows: Ulla Aho who plans to become a dentist when she returns home to Joensuu, Finland; Goran (Chris) Christiansan of Gothenburg, Sweden, has participated in JV basketball; Ingo Dudeck, who comes from Bremen, Germany, has also gone out for sports; Christian-Dietrich Fritsch of Hannover, Germany, has joined both the Speech and German Honorary Clubs; Kerstin Jansson from Malmo, Sweden, was nominated for Homecoming Queen; Stefan Koops from Wilhelmshaven, Germany, had his own column in the FREELANCER; Tony Koster of Tibury, Holland, actively played the flute in the band; Frank Meyke from Havelberg, Germany, participated in cross country; Petra Schmidt of Neumunster, Germany, played a role in our fall play "The Miracle Worker"; Nella Star from Rynsburg, Holland, has been active in many clubs on campus; Anette Witkouski of Berlin, Germany, hopes to become an artist when she returns home. Next year we may be able to send Pat Kenowsky and Alan Harriman as our first foreign exchange students sent abroad. Through the American Field Service we have received Siw Nordstrom who is from Hudiksvall, Sweden. Her many activities, this year, include serving in cabinet and reading the bulletin.

In Mr. Wagner's ceramics class Ulla works on one of her projects.

Ingo attentively listens to one of Mr. Holmlund's physics lectures.

Anette, who wants to become an artist, sketches in Art III.

Siw found being on cabinet involves a lot of work.

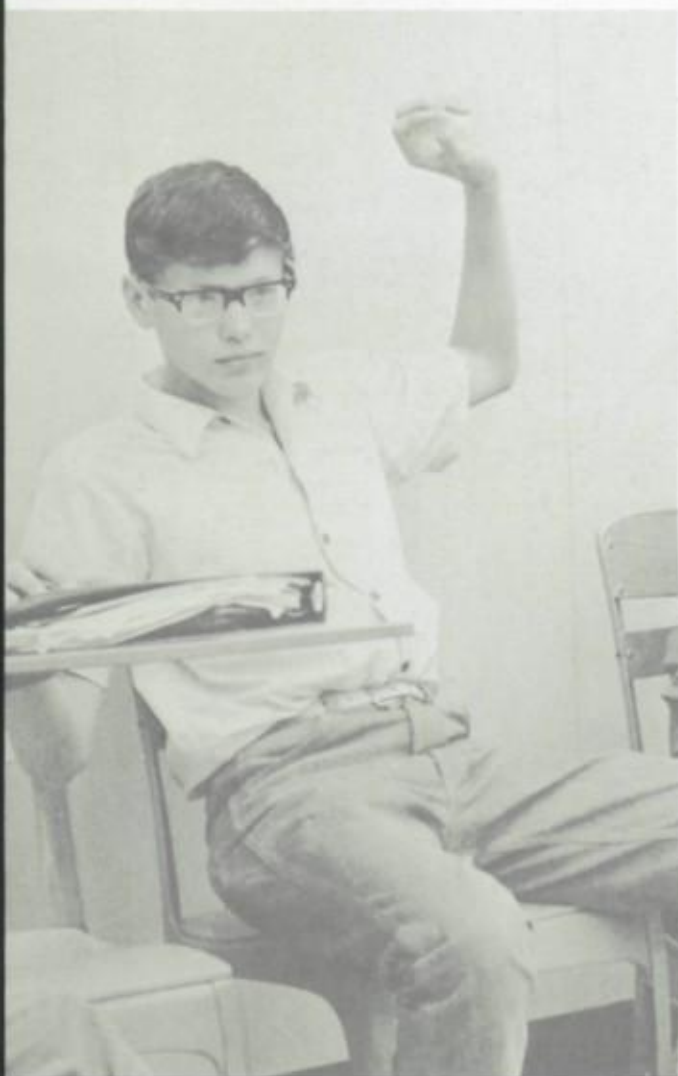

All friends at La Serna,
I am so grateful to you for making my
year in the USA so wonderful, and to
the International Club and American
Field Service for making it possible. I
hope to see you soon again.

Your AFS student,
Siw Nordstrom

Language labs are not found in Holland, Nella and Tony discovered it a new experience.

Chris and Frank and Kerstin are found taking a United States history test in Mr. Krieger's fourth period class.

Steve concentrates on the discussion at hand in Senate.

Christian practices fencing to keep fit, it is also one of his favorite hobbies.

It didn't take Petra long before she made many friends on campus.

Future Set by Board of Trustees and District Administration

Dr. Heber H. Holloway
Superintendent

Action is the word, and action is what Dr. Heber H. Holloway has shown toward La Serna. We would like to thank him and his staff for the superior job of improving the educational system in our district.

The Lancers would also like to give a tremendous thanks to the Board of Trustees for their assistance toward a successful year. This is the group who allocated over half the money for our LS pool.

Serve As Pathway

To the Future

A big problem for Mr. Kerr, Mr. Locke, and Mr. Godshall is the scheduling for the next year students.

Mr. Kerr, Assistant Principal of Curriculum; Mr. Godshall, Assistant Principal of Guidance; and Mr. Locke stop in the hall for a little chat.

Mr. Claxton, Assistant Principal of Activities

With the Class of 1966, we have completed a four-year graduation cycle. Over fourteen hundred students have received high school diplomas as members of their respective classes. For the graduating seniors I recommend the following quotation which may serve as a pathway to the future:

"Lives of great men all remind us
We can make our lives sublime
And, departing leave behind us
Footprints on the sands of time."

—Henry Wadsworth Longfellow

We recognize your "footprints" at La Serna High School as evidenced by your transcript of meeting graduation requirements, your letters, awards, scholarships, and your reputation as La Serna Lancers. On behalf of the faculty and staff I express our appreciation for the opportunity to associate with you during your high school career.

In the future, may you reflect upon your integrity, knowledge, and wisdom to cope with the challenges of daily living, which will lead you to a productive and purposeful life.

Sincerely yours,

Melvin E. Locke

A Friendly Smile Toward Your Problems

A counselor's day is filled with many counselor appointment forms. Whether subject change or difficulty, college requirements, scholarships, or "other," they are never too busy to help another student. It's a good feeling knowing they are there always with a friendly smile or sympathetic ear toward your problems. For the students whose last name begins with the letters A-C Mrs. Hall, the head

counselor at La Serna, will be advising them while Mr. Coffey, Miss Bell, and Mr. Jones are consulted by those whose last names begin with D-K, L-Q, and R-Z respectively. Dependable, helpful, and essential are our counselors and no matter where you look, La Serna's Guidance department, headed by Mr. Godshall, is in action on campus with students everywhere.

Head counselor, Mrs. Hall (top left) intently discusses school and parental coordination with a parent. Working closely with student problems counselor Mrs. Bell (bottom left) works with Louis Lacivita.

To Those Who Fight for Freedom...

Whether it may be the American militaryman fighting in the dense jungles of Viet Nam, struggling to quell the Communist insurrectionists, wondering if the subjugated peoples under this rule will ever succeed in breaking their bondage to escape to the freedom we maintain . . .

Or the American Negro, weary with centuries of oppressive discrimination, demonstrating in a hundred ways his desire to climb to the mighty heights of equal opportunity and acceptance as an American citizen with all the rights implied . . .

Or any individual striving to evade the restrictions of his society to find a freedom of living which will provide a fertile climate for imagination and creative expression . . .

ROW 1: Curt Spencer, Dave Haberecht, Tom Seymour. ROW 2: Geno Cole, Candy Kohles, Gloria Myers, Siw Nordstrom, Gary Fujiyama.

This year's fine cabinet consisted of Dave Haberecht, A.S.B. President; Geno Cole, Vice-President; Candy Kholes, Secretary, and Gary Fujiyama, as Finance Chairman. Also on the cabinet were Tom Seymour, Speaker of Senate; Curt Spencer, Activities Chairman; Tisha Cole, Publicity Chairman, and Gloria Myers, Pep Chairman.

Besides helping the student body, this year's cabinet attended district cabinet meetings and compared ideas with cabinets of other schools.

"Order please," says our President.

"Ah, the life of a Vice-President."

Wherever you look, you see Siw Nordstrom. She is the Honorary Life Cabinet member, and also an exchange student from Sweden. Mr. Pledger, takes a nice brisk walk around the campus, before starting the morning off by advising the Senate. Tom Seymour, Speaker of Senate, joins in the sing-along with Debbie Phillips, Mauren Griffith, and Ron McIntyre.

"Sing a Song of Sixpence"

"And I Strongly Feel..."

La Serna,

When one looks back on La Serna's first five years of existence, in search of the one distinguishing characteristic that has made it a school that is envied throughout the District and throughout the Suburban League, one finds something that seems to generate all great organizations—enthusiasm. The type of enthusiasm that does not fade when the victory flag isn't flying.

It is this one characteristic that has put us at the top in all aspects of school life.

As a result of this interest the student leadership groups on our campus, Cabinet and Senate are faced each year with a tremendous challenge. To provide activities that will channel this enthusiasm into worthwhile and meaningful results. It is my hope that student government this year has given you these activities. I'd like to thank the members of Cabinet and Senate and the faculty advisors for helping make all that this year has offered possible.

I strongly feel that as long as La Serna is guided by the great force of an interested student body it will never cease its upward climb.

Sincerely,

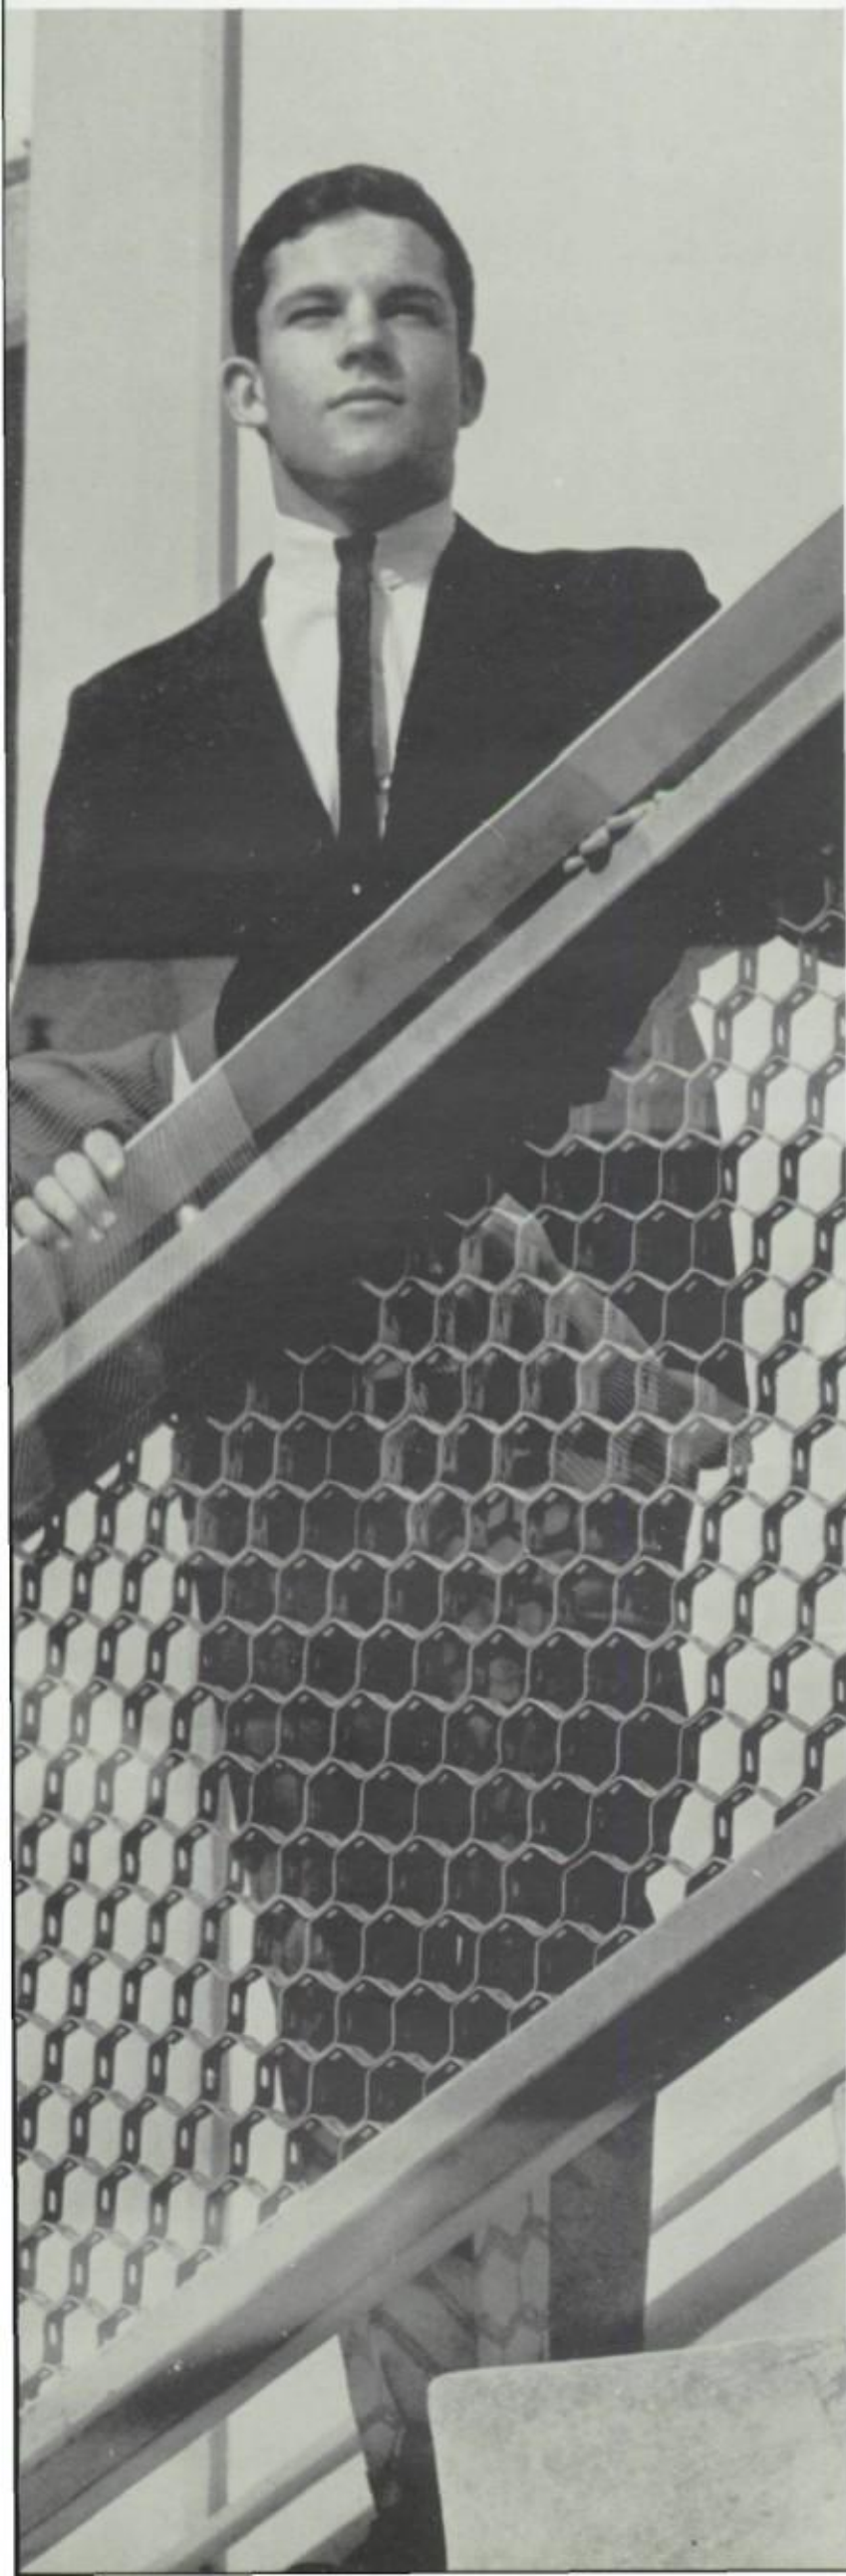

Dave Haberecht

Even the A.S.B. President needs help with classwork.

*"It Is With Pride That
I Leave La Serna"*

La Serna,

It has been said that what man thinks IS—therefore, the world that exists about us is not the same world which we see. As alien as this world is to our thought, it is the factory within which we must work. It is our challenge to accept this world, that is what we have been prepared for.

I now speak to those of you who are soon to step forth into this world, the graduates of the class of '66. You have in four years been given the chance to develop many phases of your characters and minds, that you may soon venture forth into the world as citizens educated and prepared. Yet the bewilderment of this journey has left many of you saying how can I possibly succeed?

Only from your accomplishments in the past can you see the dim future. It is what you have done at La Serna that unveils tomorrow. From your first year to the completion of this year at La Serna, you, the Seniors, have been forming yourself for the future. Is it with pride that you leave La Serna or a feeling of having achieved a goal? Whatever is your emotion, you shall always remember La Serna. To the underclassmen belongs the La Serna of tomorrow, it is for you to strive where we have not and develop that which we have begun.

La Serna is our school no longer, but the memories of these straining and exciting years shall never be forgotten. I say farewell to you, the coaches, and the staff of La Serna. Best of luck to the graduates of 1966!

Sincerely,
Eugene Cole

ASB Officers Uphold High Standards

La Serna,
The honor of being the A.S.B. Secretary of 1965-66 was an experience which has given me rewards impossible to evaluate to their fullest. The support which Cabinet received from the student body at La Serna was given with such out-going enthusiasm and interest that it was a joy to serve as a part of the student government.

At this time I would like to give a very special thanks to Mrs. Agee, Mrs. Sprike, and Mr. Claxton, for all they have done in helping Cabinet make 1965-66 a successful year.

Sincerely,

Candy Kohles

It has been my greatest privilege to serve La Serna this year as the A.S.B. Finance Chairman. As a member of the A.S.B. Cabinet, I can say that this year has been a financial success due chiefly to student support. At this time, I would like to give thanks to the administration, the Finance club, fellow cabinet members, Mrs. Sprike, and Mrs. Agee for all their guidance and help.

And now, I say to you all, "Thanks, I'm proud I went to La Serna."

Very sincerely,

Harry Fujiyama

In my few years at La Serna, I have been extremely fortunate in gaining some of the finest friends anyone could hope for. The summit of this treasure was the opportunity I had in being speaker of the Senate. It was an honor to work with the cabinet and a fine group of senators. These two groups led La Serna to another great year. To my advisor, Mr. Pledger, and to all the senators, sincere thanks.

Tom Seymour

In addressing you, the student body, I would like to thank you for your enthusiastic response in promoting a great spirit this year.

I am sincerely grateful for the opportunity to have been your Pep Chairman. I have learned a great deal about the functions of our school government. I would also like to express my thanks to all the pepsters, Mr. Claxton, Mr. Pledger, and the fine Pep Club.

Sincerely,

Gloria Myers

La Serna,
I wish to thank the Student Body of La Serna for the opportunity to work for them.

The effort shown by the members of Publicity Club this year deserves special recognition, for these students demonstrated their pride in La Serna by giving the extra effort needed to communicate with the rest of the Student Body through public relations.

I leave La Serna with the sincere wish that all who attend this school will gain through experience the tremendous pride I have.

Truly,

Fisha Cole

La Serna has come a long way in these past few years, it has matured from the infant stages to become a remarkable school of outstanding athletic and academic achievements.

This year has supplied me with a chance to learn about student government and to work with people on school activities. I would like to thank Mr. Claxton, Mr. Pletcher, the Activities Club, and the student body.

Sincerely,

Curt Spencer

The Senate discusses future plans,

Under the direction of Tom Seymour, Senate Speaker, and Mr. C. D. Pledger, Senate advisor, this year's Senate has proved to be one of high caliber.

The Senate is composed of twenty-eight members; seven from each class. The Senators are elected by their fellow students to represent them in a government "of, by and for" the students.

The Senate meets each morning during first period to discuss future plans and activities. Among some of the activities sponsored by the Senate were the March of Dimes Week, the tug of war, and Homecoming. The work of the Senate has produced many worthwhile activities which added to the enjoyment of the students.

Student Court

Student court members from left to right are Daryl Futrell, Kris McKethan, Terry Martin, Marcia Stratico, Chris Duncan and Ned Andrews.

La Serna Student Body:

In looking back over the past year, I would sincerely hope that the Student Court of 1965-66 has benefited La Serna in its special purpose. The Student Court serves as a liaison between the student and guidance office. As a judicial body, we have set our main goal in rectifying problems on a student level rather than forcing administrative action. Our greatest asset in this endeavor has been the unique insight we, as students, have in dealing with the problems of our peers. If our efforts have been constructive and helpful, then I should consider this year a success.

Sincerely,

Terry Martin

One of the duties of the Pleiades and Centurions is raising the flag.

Pleiade advisor, Miss Bell and Centurion advisor, Mr. Jones.

Our smiling President, Dave Haberecht, enjoys a summer day.

A.S.B. Action

Pleiades Gretchen and Caroline, eat an early lunch before going on duty.

"Whew, what a day," says Ned Andrews, Centurion president.

ROW 1: K. McKethan, P. Thomas, C. Duncan, P. White, M. Stratico. ROW 2: C. Bridges, J. Crow, J. Griffith, B. Murphy, S. Conwell. ROW 3: C. Brandom, G. Racine, C. Sager, J. Janda.

ROW 4: L. Gibson, G. Spencer, S. Little, G. Myers. ROW 5: C. Fremon, M. Daugherty, C. Lamprecht, L. Hamner, S. Ruiz.

Star gazers readily recognize the constellation of the "7 sisters" called Pleiades. La Serna readily recognizes their Pleiades by the traditional black skirts and white blouses on Wednesday.

Wherever you look, the Pleiades are striving to promote the standards and high ideals at LaSerna.

Their duties consist of raising the flag, lunch line supervision, and establishing rules of conduct and dress. In order to become a member, one must be a girl in her junior year. The incoming Pleiades are "tapped" at an annual "tapping assembly" and embark on their new job the following year.

ROW 1: I. G. Cole, D. McMahan, T. Brake, K. Bean, J. Hubbard. ROW 2: B. Ferguson, B. Williams, D. Futrell, B. Alhandy. ROW 3: P. Hornby, N.

Andrews, T. Martin, T. McGlone. ROW 4: M. Swift, E. Broder, G. Fujiyama, J. Burk.

Wherever you look, at lunch lines or assemblies, you find a Centurion. The Roman word Centurion, coming from the Latin word centum, and meaning an officer for every one hundred soldiers, designates our Honorary Boys' Society of La Serna, of which there are nineteen, one for every one hundred students.

Their constitution states that the Centurions are to preserve our high school standards and to promote school pride. With the help of the Pleiades, they strive to achieve goal. To become a member, one must complete an application stating grades and teachers' consent.

Being Girls' League President involves a lot of hard work and time. Sandy Ruiz showed that she had what it takes.

From left to right are: Valerie Bell, secretary; Jeannie Griffith, First Vice-President; Pat Siepak, publicity; and Judy Janda, Second Vice-President. Center is Sandy Ruiz President.

Girl's League

This year's Feminine Frenzy was brilliantly planned and presented.

G.L. Action

G. L. President Sandy Ruiz enjoys the rolls she made in Homemaking.

Patty, Judy, Jeannie and Valerie, G. L. officers, prepare for coming events.

King Jerry and Queen Hollie sway to the music of the Royal Ball.

Judy stands guard at the apple machine.

This year's Girls' League Representatives consist of: Jill H., Rena F., Jane C., Chris D., Marsha Q., Teresa A., Elden F., Jannette C., and Vicki K. Together they plan the Winter Formal, this year entitled "The Royal Ball." Also included in the council are: Candy R., Missy P., Jenny H., Patty R., Jan M., Cindy M., Nancy P., and Peggy P. There are seven representatives from each class.

Howdy Cathy,
 Yash, can you
 believe how
 year has gone
 well, as of tomorrow
 you'll be a full

Senior Class Officers Have an Outstanding Year

Dave Ryskamp, President; Karen Robinson, Secretary; Candy Castillo, Vice President; Ted Fisher, Treasurer.

Mr. Krieger, Advisor

As we leave La Serna in our senior year and head bravely for the new world which awaits us, we pause a while and look nostalgically into the past.

Many of us found that life as a senior was not the bed of roses we had imagined as a freshman. Because the senior class was so large, the largest yet to graduate from La Serna, we of the Class Council had to give a constant effort to keep the seniors united. It was events such as the "Senior Pep Day" that made a lot of hard work pay off.

Many thanks to Mr. Krieger and our other advisors for their guidance during these past hectic months, and the members of the Senior Class Council who worked so hard to make our Class great. I give a special recognition to all the loyal basketball fans who bought cokes from us and munched our stale popcorn.

Sincerely,

Dave Ryskamp

Cathy -
It's been fun
being a rival
with you, but it's
evident that we
both lost. Oh well
who cares. Best of
luck always

Diligent Seniors Capture Awards

D.A.R. AWARD—Exemplifying dependability, service, leadership, and patriotism is Margy Daugherty, the recipient of the Daughters of the American Revolution Award. Margy has shown interest in her school and community through outstanding participation in many activities.

HIGHEST GRADE POINT AVERAGE—The ten highest grade point averages were achieved by Seniors: Toni Brake, Jane Crow, Margaret Daugherty, Jeanne Griffith, Judy Janda, Charles Johanson, Rosemary O'Nesky, Karen Porter, Marcia Stratico, and Anita Young.

C.S.F. LIFE MEMBERSHIP—ROW 1: T. Aja, P. Huie, J. Griffith, C. Lamprecht, K. Rustand, K. Porter, D. Procter, B. Clark, B. Spinosa,

B. Baker. ROW 2: M. Stratico, M. Daugherty, T. Brake, R. Moore, R. Poole, R. Slater, N. Andrews, J. Crow, J. Janda, M. Bassett.

CALIFORNIA SAVINGS AND LOAN AWARD—The California Savings and Loan League Award was granted to Marcia Stratico this year. The award is based on academic achievement, school leadership, and pride in one's civic responsibility. She received a hundred dollar prize and a gold medallion.

ARMCO SCHOLARSHIP—Gregg Sutcliffe had the honor this year of being a finalist for the Armco Scholarship. The award was based on Greg's general scholastic achievement, his S.A.T. scores, and the results of his interview with the Armco Company executives.

C.S.F. POSSIBLE LIFE MEMBERSHIP—ROW 1: T. Cole, R. Altman, L. Bleckle, T. Fisher. ROW 2: G. Fujiyama, J. Haughey, B. Murphy, M. Gill, C. Johanson.

NOT SHOWN: S. Day, C. Fremon, N. Glick, D. Haberecht, M. Stricklin, M. Magnuson, C. Spencer, G. Sutcliffe.

NATIONAL MERIT FINALIST—

The National Merit Scholarship Qualifying Test was taken to discover the students with the greatest potential in the nation. This year La Serna is proud to have three finalists qualifying for a scholarship. Teresa Aja, Roger Moore, and Anita Young achieved this status of finalists. They took additional tests and submitted needed personal information about themselves which will enable the proper selecting of recipients of the scholarship. All finalists receive a stipend and have the opportunity to receive a four year scholarship.

SPORTS LIFE MEMBERSHIP—

To attain Sports Life Passes a Senior boy must maintain a high grade point average, have lettered on the varsity of one sport for three years, or have lettered on the varsity team of two sports for two years on each sport. Those receiving life passes this year are: Ned Andrews, Mark Diederick, Ted Fisher, Duane Hauser, David Izant, Gary Leighton, and Greg Sutcliffe. They should be congratulated for their fine athletic achievements.

BANK OF AMERICA AWARD—

Students excelling in four general fields are presented with gold cups by the Bank of America. This year's winners are Tony Brake, Math and Science; Bob Halderman, Vocational Arts; Judy Janda, Fine Arts; and Marcia Stratico, Liberal Arts.

Winners were chosen by a committee of teachers and school administrators on the basis of academic achievement. Leadership ability and participation in student government and school clubs were also considered.

Jr. Sr. Prom... A Grecian Splendor

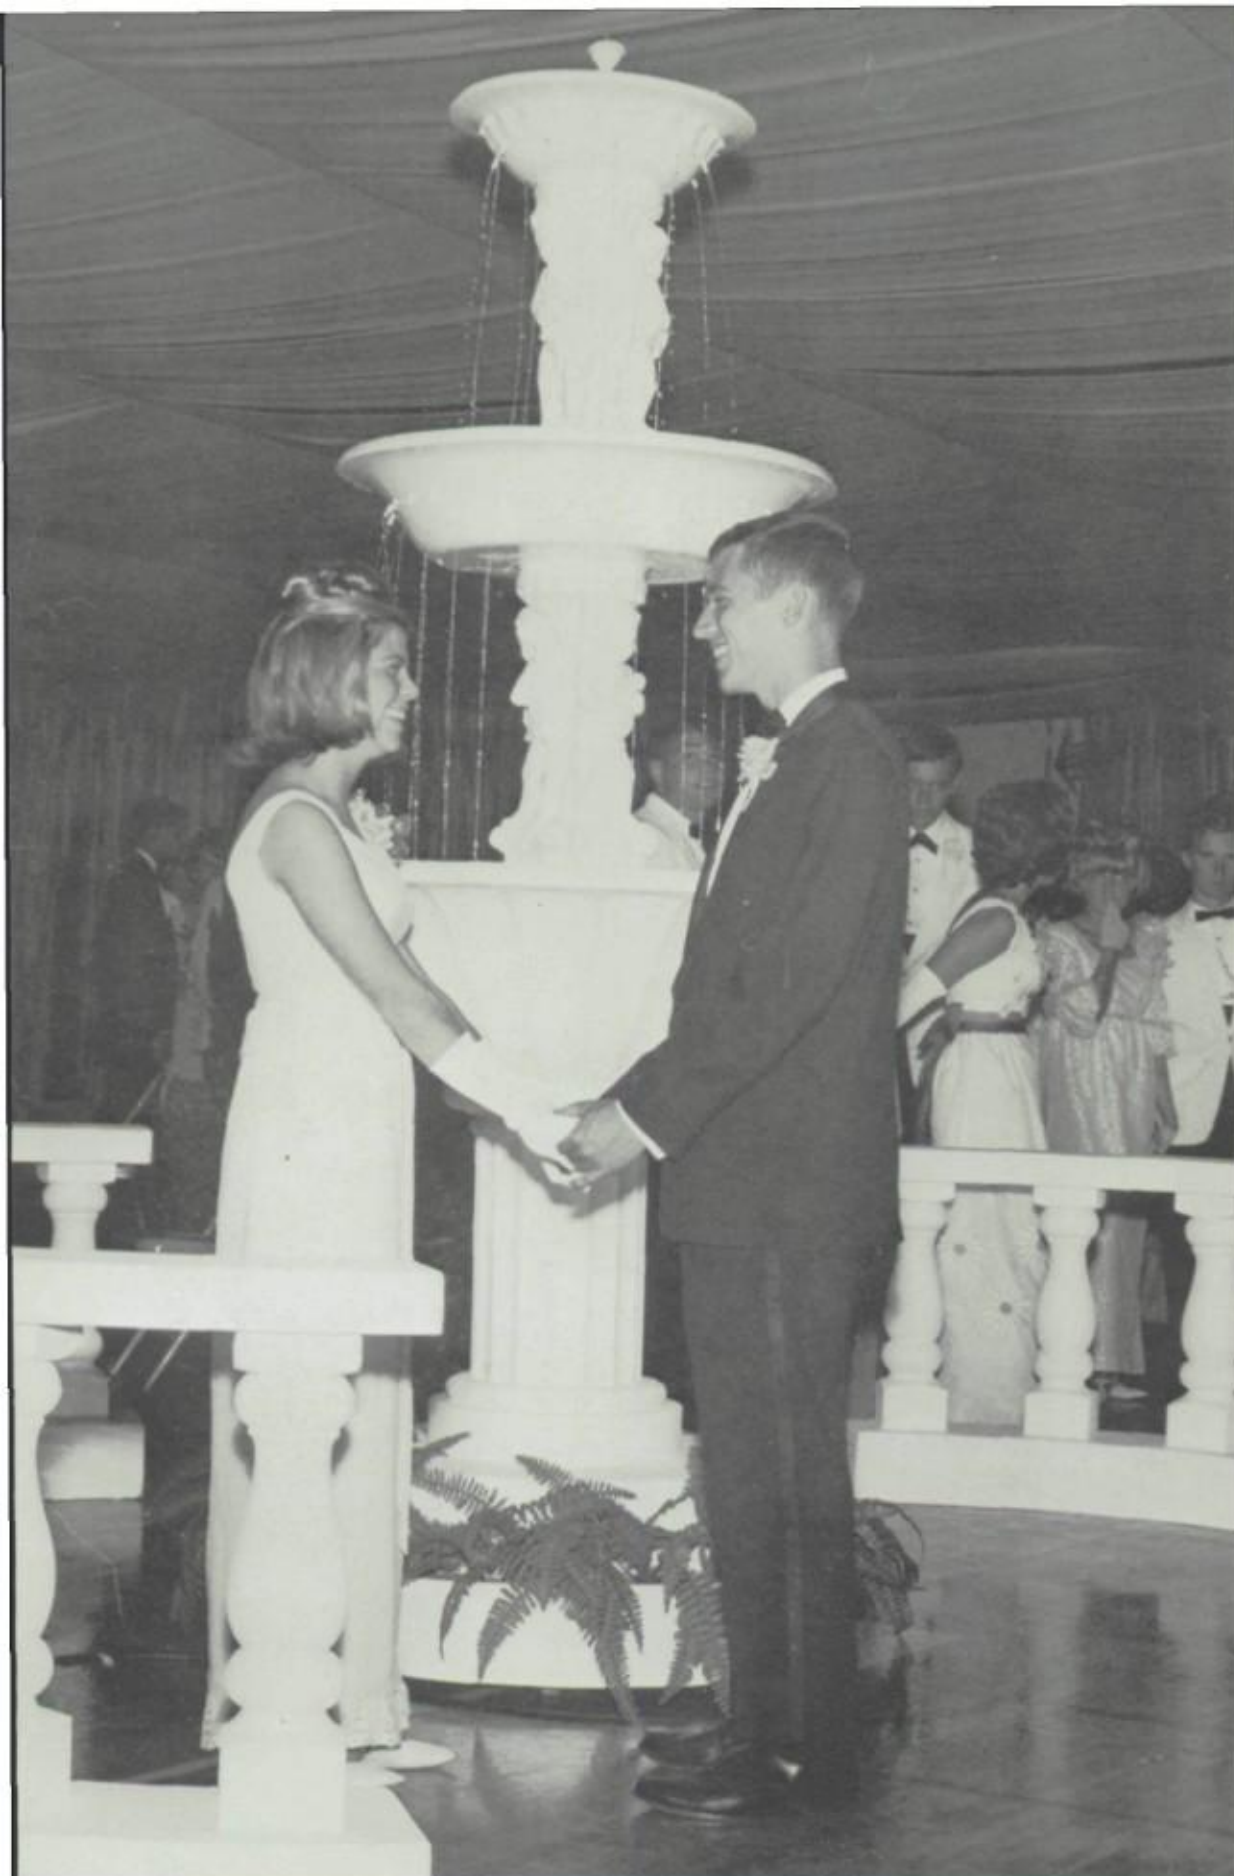

Grecian Splendor set a beautiful atmosphere for an unforgettable evening.

As couples enter the breathtaking ballroom they are greeted by the reception line.

Couples await posing for their remembrance pictures of the prom evening.

Mary and Phil are in a world of their own in the romantic setting.

Under the haven of blue, couples dreamily sway to the music of the Esquires.

"Grecian Splendor" was the theme for this year's prom presented by the Junior class. It was accented in powder blue, gold and white. Tissue paper bushes led from circular balastrades in the center of the gym. A Greek mural accented the walls and two nine foot statues stood on the dance floor. Music was furnished by a seventeen piece orchestra, The Esquires. Encompassed by the balastrades was a nine foot, three tier fountain. White cherubs decorated the serving table which was set off by the bushes. A solid roof of powder blue crepe paper enhanced the dance floor. A great success, this prom is unforgettable.

Couples pause to chat in the scenic refreshment area.

All Night Party Was a Blast

Marilyn, Curt, Carole, and Dave make the rounds on the Carousel.

Seniors J. Hubbard, J. Ranson, D. MacDonald, and J. Swift start a wild night on the teacups.

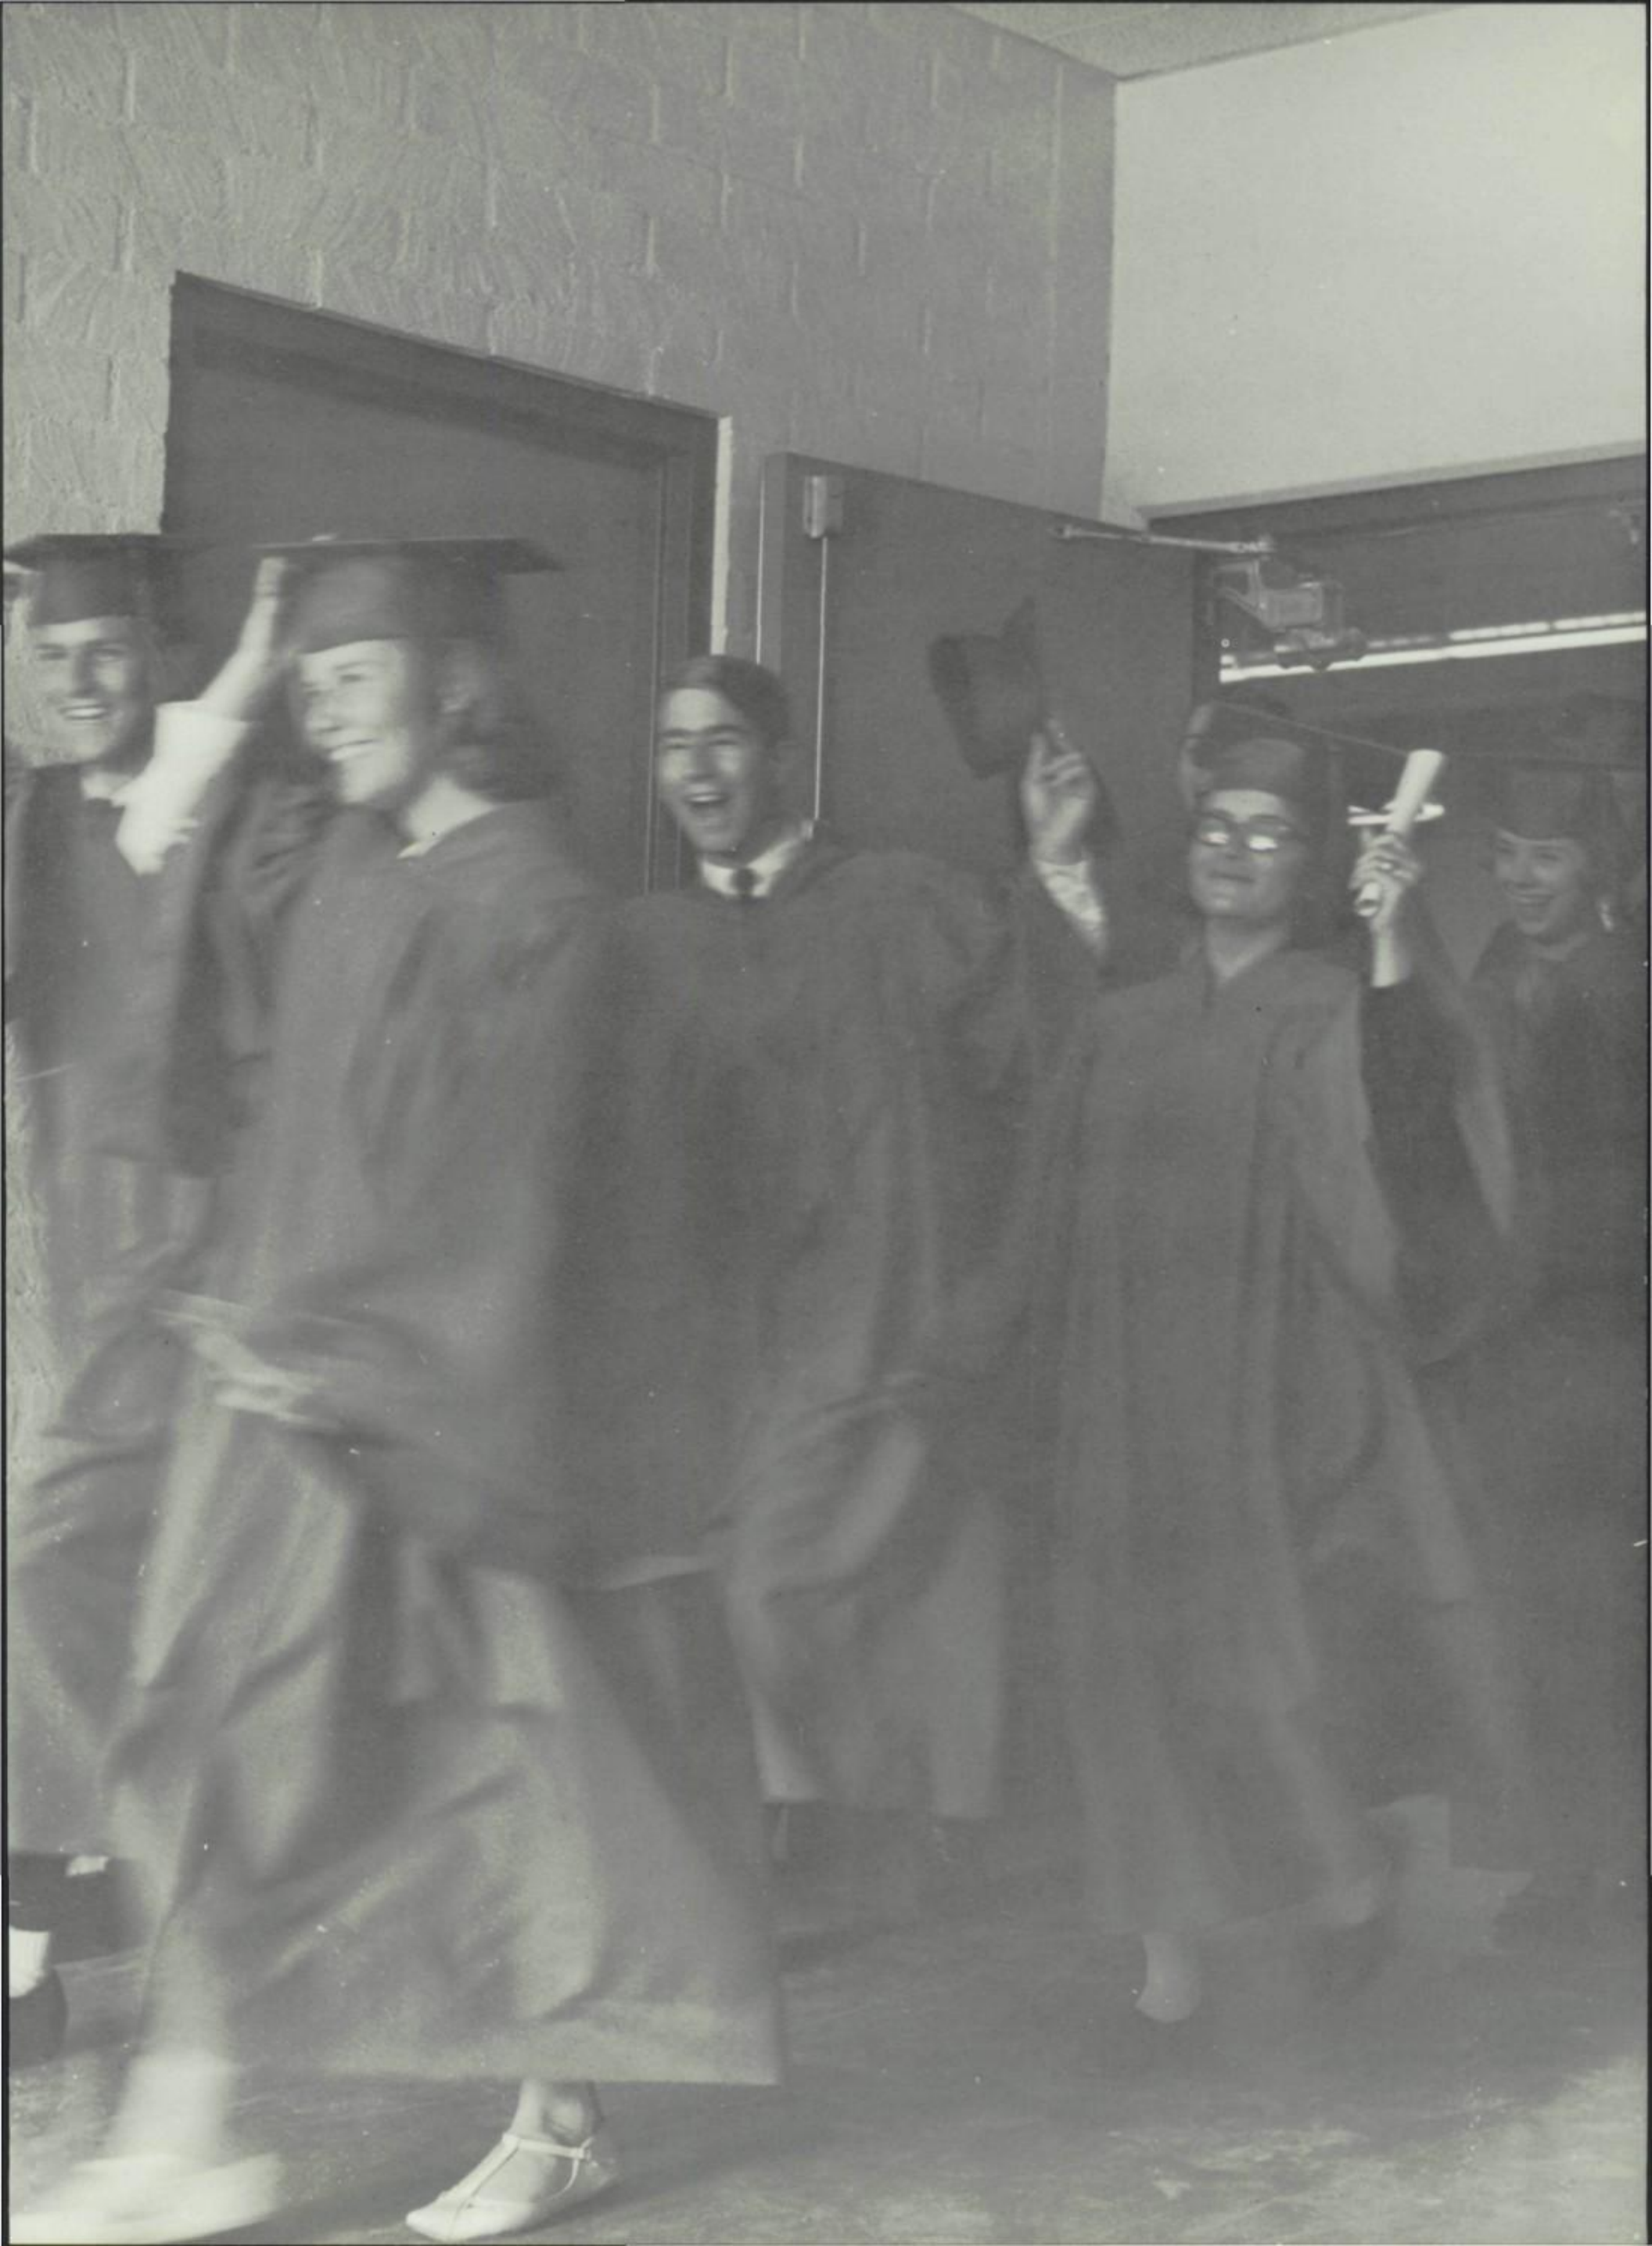

There's always time for food!

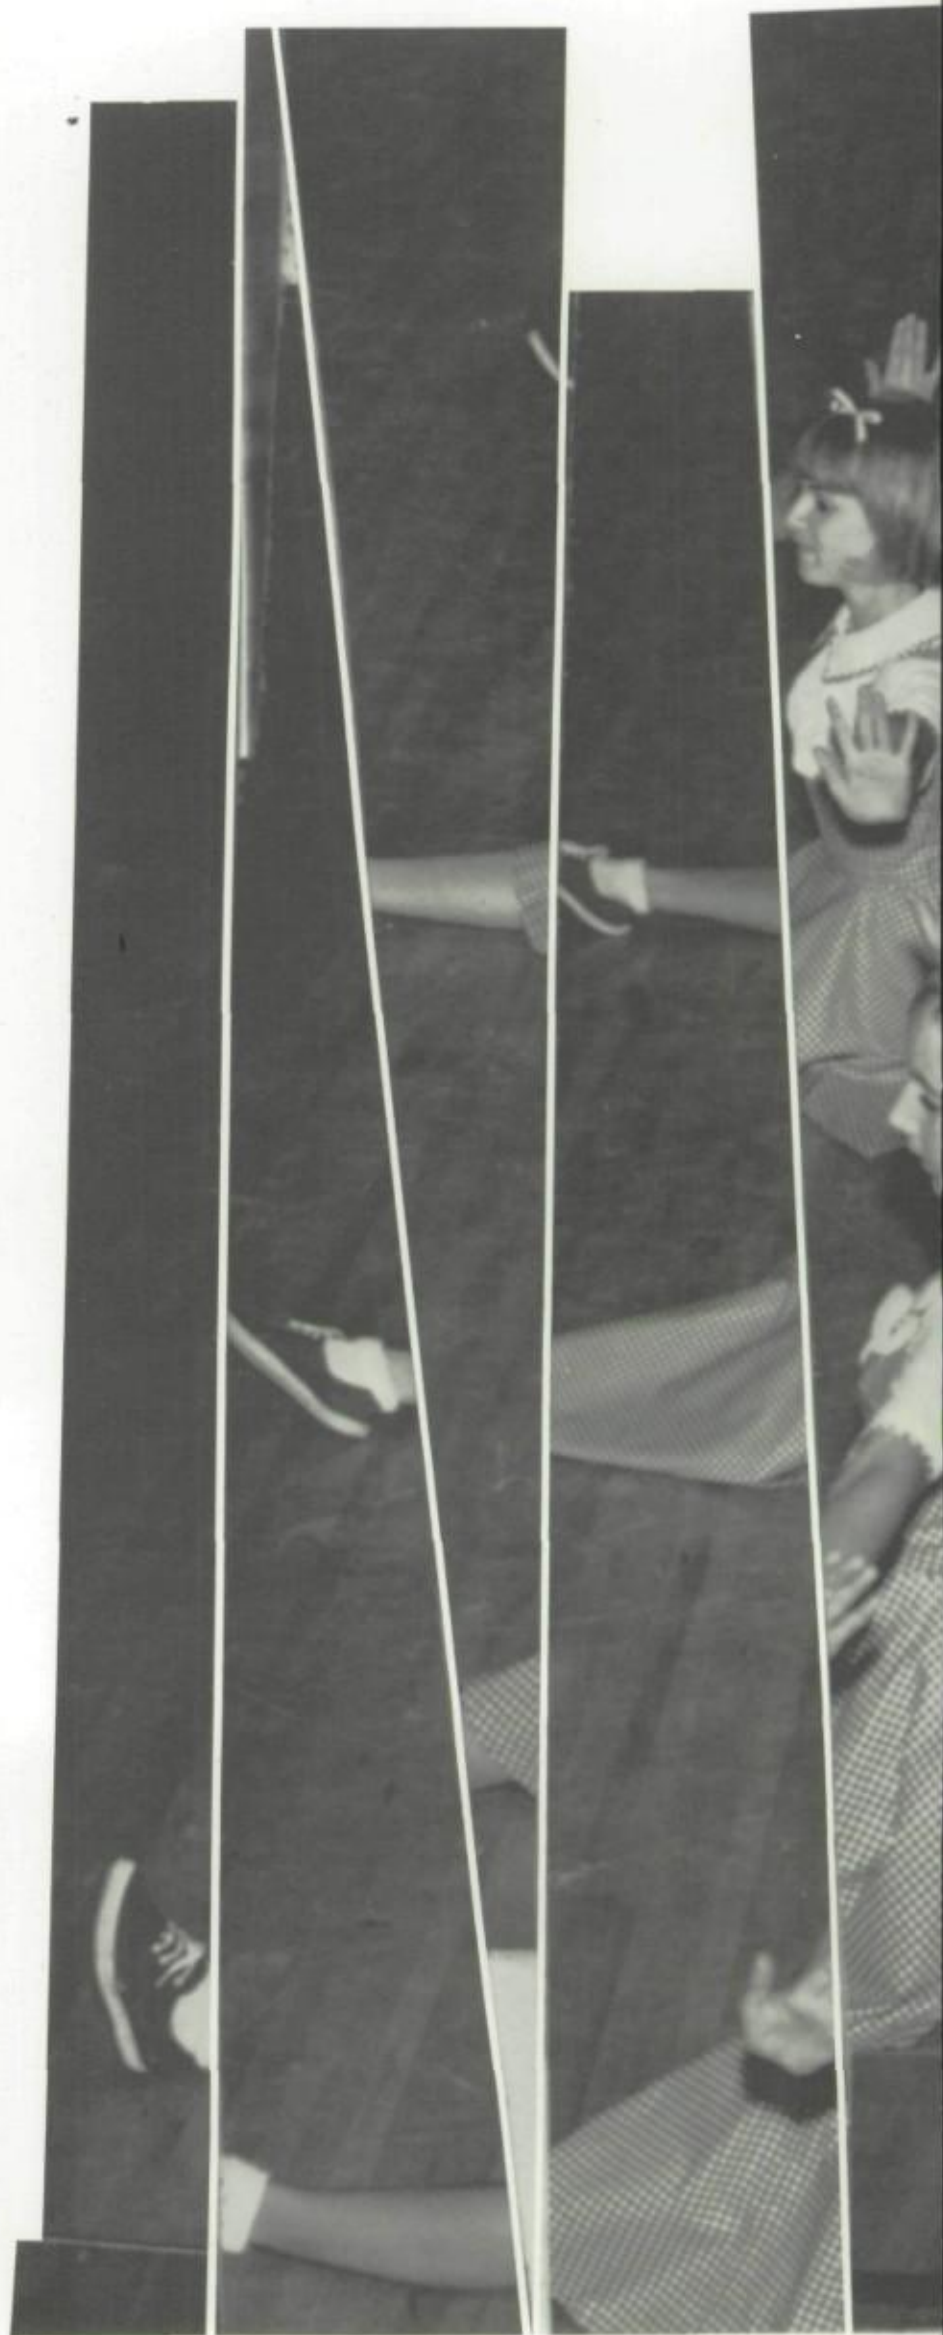

As dawn breaks through, our crew rests on the Omnibus.

La Serna Climbs Another Mountain with "Sound of Music"

Rolph (Mike Johnson) offers to take care of Liesel (Sue Elton) since she's only sixteen going on seventeen.

Captain (Ron Weaver)

Maria (Chris Bridges)

Not only were the hills alive with the sounds of music, but also the Whittier High School auditorium when La Serna High School presented her second musical. Chris Bridges played Maria, Ron Weaver the Captain, Patty Mead the Baroness and Vicki Bliss the Mother Abbess. Mr. Francisco directed the students in their acting roles while Mr. Reed supervised the singing of the leads and the nuns' chorus. Many hours of practice and constant drilling resulted in the overwhelming success of the performances.

"The Sound of Music" takes place in Salzburg, Austria, amid the scenic Alps. It tells the story of a young girl preparing to become a nun, but whose superiors feel she is not suited to the Abby. Maria is sent as a governess to the Von Trapp home to care for seven children. There she falls in love with the Captain and is giving a magnificent wedding by the Sisters. With the Nazi invasion, Maria is forced to flee Austria with her family. Crossing the Alps, the Von Trapps escape the Germans.

Maria (Chris Bridges) teaches the Von Trapp children to sing. From left to right: Marta (Mary Martin), Court (Gary Bloch), Louisa

(Laurie Curran), Maria, Liesel (Sue Elton), Frederick (Pat Peckham), Brigetta (Cathy Nieman) and Gretl (Dolly Stickel).

This scene in the play shows Miss Sullivan's singular devotion to her student.

At rehearsal Annie Sullivan works with Helen.

LS Rendition of "Miracle Worker" Proves Stage Triumph

The Broadway play, *The Miracle Worker* as performed by La Serna actors, was revealed to be a monumental success opening night. The cast's portrayal of Helen Keller's childhood brought immediate applause and enthusiastic comments.

Outstanding performances were given by Kathy Horst, Diana Jared, and Gayle Kollenborn in the leading roles. Sandy Rosen and Steve Siler held the main supporting parts.

The 1965 Fall play will remain a credit to the ability of La Serna students.

The entire cast of *The Miracle Worker* takes time out to pose for a group picture. All were outstanding in their various roles.

How can anybody get any sleep around here? What with amateur burglars, turkey sandwiches and Mama's mystery book . . .

Now you know what really goes on while the audience watches, enraptured, the polished performance onstage.

Hurrah for the hero! Boo for the villain! Old-time melodrama finds its humorous way into the living room of a bewildered couple.

Spring Play - A Triple Delight

The La Serna players have done it again, this time in a new and different, yet effective manner. They put three hilarious one-act plays into one fun-filled evening of entertainment on Thursday and Friday, March 24 and 25. The plays, *Nobody Sleeps*, *The Torchbearers*, and *The Man in the Bowler Hat*, tickled the funnybone.

"Curtains up, light the lights;" sang three hundred excited girls participating in the annual All Girls' Show. This year's theme "Petticoat Pandemonium," inspired many clever skits. Everywhere you looked you saw clusters of frolicking milkmaids. If you listened closely you could hear the shouts and war cries at the Pocahontas Pow-Wow. "Hooray," screamed the audience as Jane Bond rushed to save the day. Everyone sat amazed as Alice stepped through the glass mirror. And ahoy, Nautical Nellie dropped anchor on the Lancer gym floor just in time to wash those boys right out of her hair. Noses twitched and eyes watered, the cause of which was surely Hay-Fever. Molly Brown raised the roof with buckets, brooms and plenty of pep. And surely we remember well Mother Goose who stepped right out of her storybook. The whole show was enhanced by the originality displayed by Continuity. Much credit for the show's success is due to Judy Janda, Sandi Ruiz and the advisors: Mrs. Cleveland, Mrs. McClarty and Mrs. Hesse. This year's Feminine Frenzy proved beyond the curl of a hair that when it comes to real entertainment, it's a woman's world.

Spotlight on Winners

The annual All Girls' show, *Feminine Frenzy*, was climaxed on Friday night with the announcement of the winning skits. Stepping out of a story book to begin their skit, *Rollicking Raggedies* danced and sang their way to both Sweepstakes and Pops Prize. Directed by Janette Cozad and Hollie Sullivan, *Raggedies* stole the whole show.

Following the yellow brick road to First Place was a sophomore skit, "Do You Remember Dorothy?" Cooperation and Second Place honors went to "Many Minnie Mieces," the first senior skit to sprout tails. Third Place was captured by a junior skit, "Judy In St. Louis."

Band Breaks Through with Sounds of Music

La Serna's Concert Band, conducted by band director Roy Anthony, performed at various assemblies and school dances. Composed of approximately forty-five members, these instrumentalists have greatly added to the musical achievement of La Serna. A new addition this year was the peppy Dixie Land Band. Performing at games and pep rallies were: Steve

Brown, Dave Crotwell, Dave Frickert, Phil Hamner, Gary Locke, Kim McCall, Rod McKenzie, Jim McKnight, John Phillips, Jeff Stevens, and Debbie Wagers. Wearing vests, straw hats and garters, the band provided a colorful addition to the pep of La Serna.

A.S.B. Assemblies - Entertaining and Educational

Jester Harriston directs the Lancer Choir in a Negro spiritual. Lively songs written by Mr. Harriston captivated the audience. A-men.

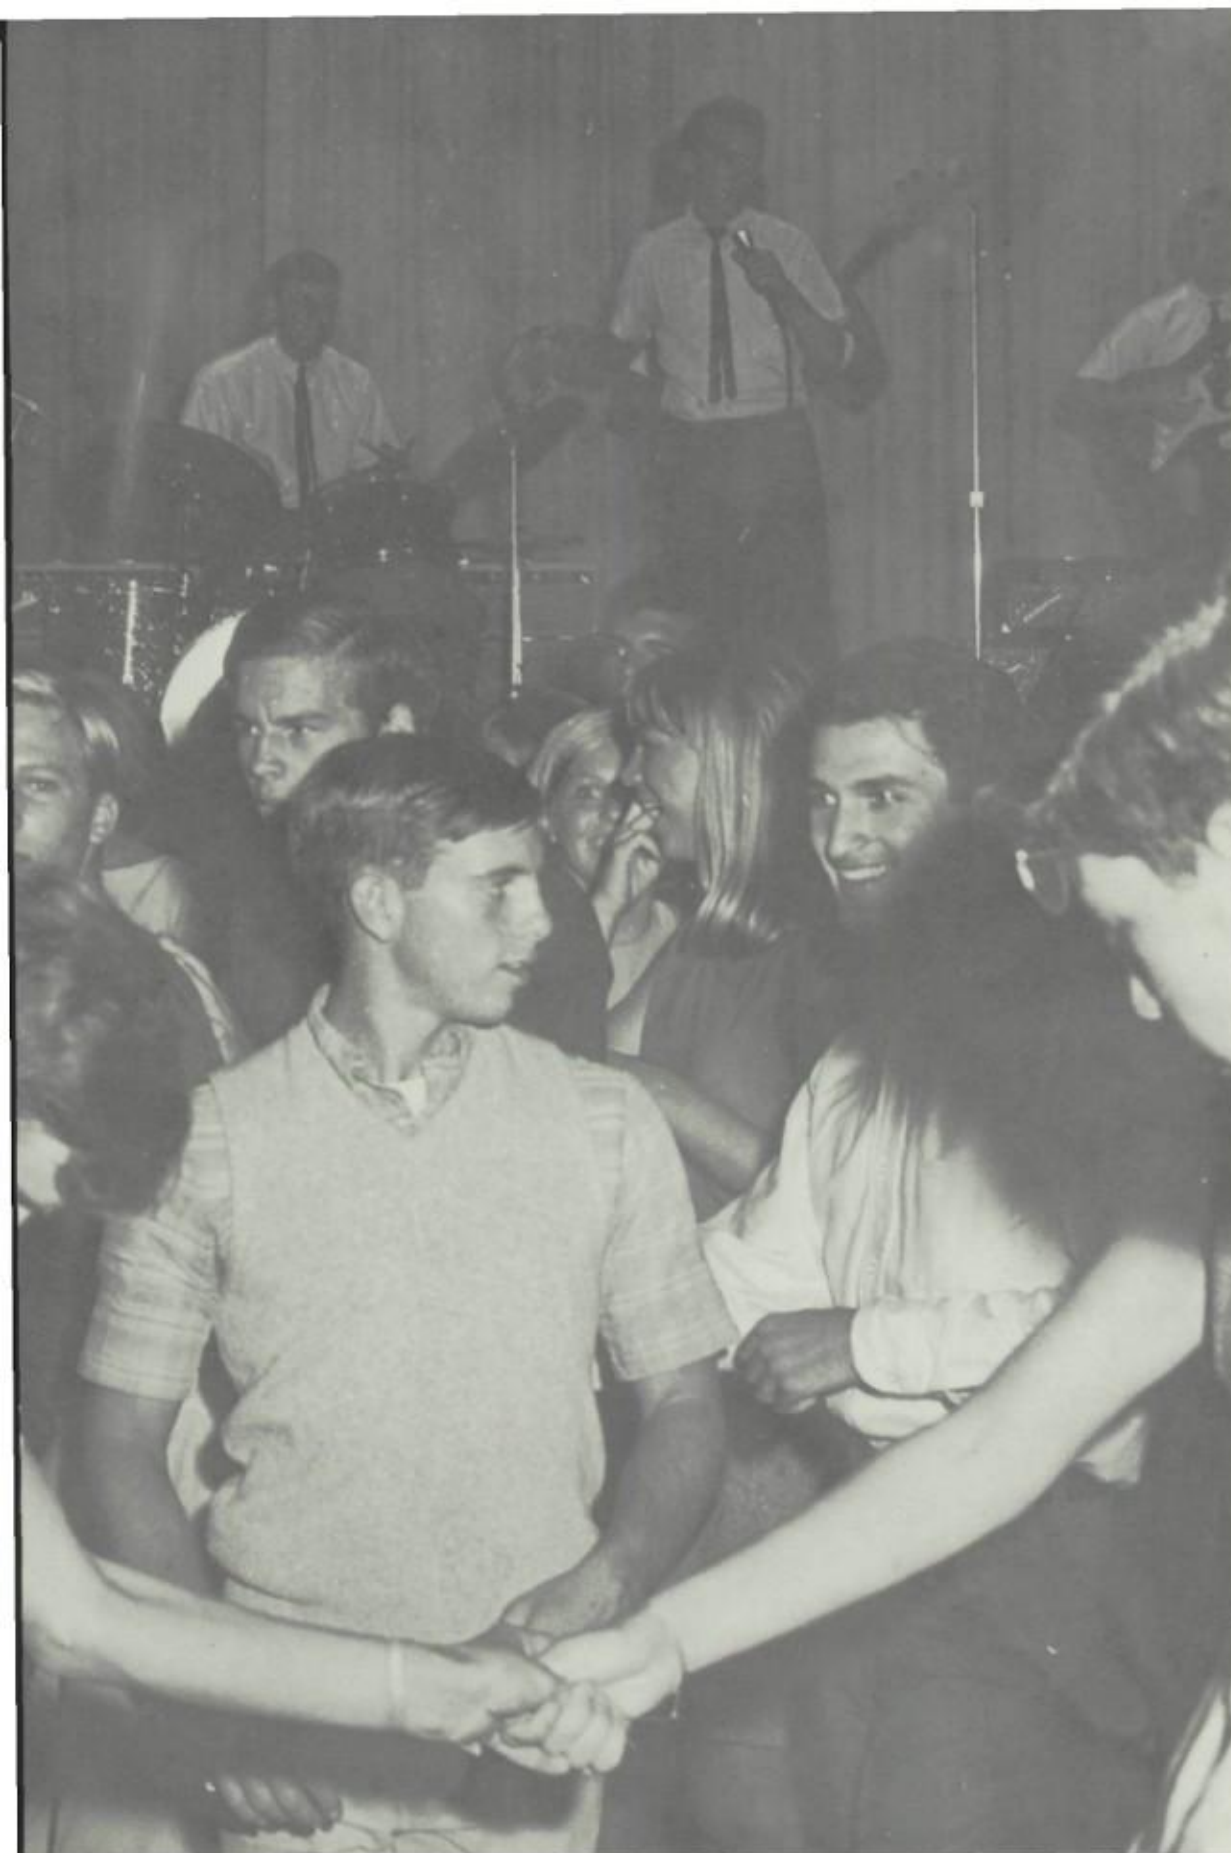

Lancer students assembled to hear the outstanding speech of foreign exchange student Stefan Koops. A movie was also shown on Vietnam with Major Cunningham commenting. The entire patriotic assembly was interesting.

John Goddard presented his spell-binding films on the Philippines an injected bits of his cute humor.

This year La Serna students were treated to a variety of exceptional and outstanding assemblies. Among them were the Christmas and Thanksgiving assemblies participated in by La Serna's fine choral and drama departments. Also proving to be entertaining and educational was the Patriotic assembly concerning the war in Viet Nam and John Goddard's presentation of his travels in the Philippines. The Pep assemblies were not only peppy but also filled with the usual La Serna spirit.

Every dance was characterized by an overflow of students.

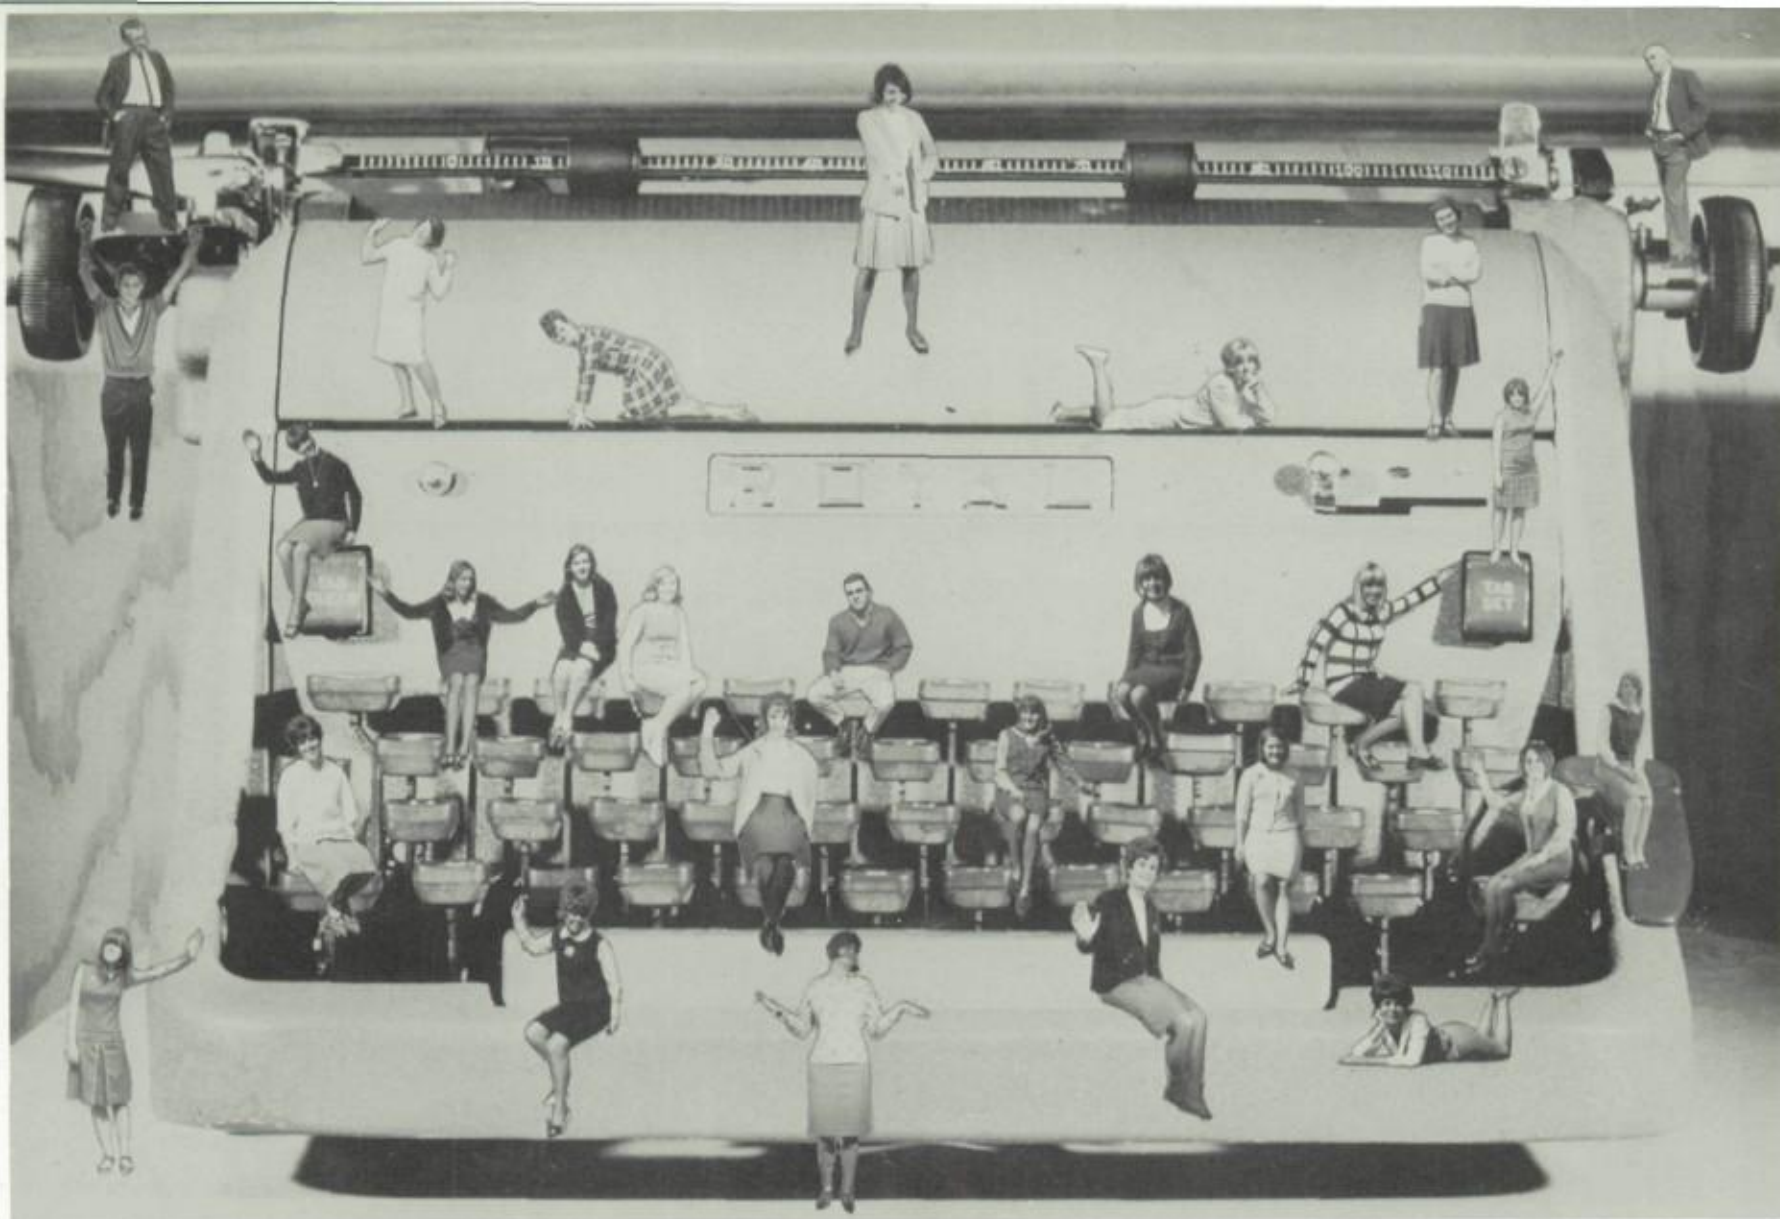

Friendliest Freshmen, Becky Uvalle and Tom Sawyer, reigned at the How-Do-Hop.

Dynamic Dances

Ten after game dances highlighted both the football and basketball seasons. The great attendance at these functions showed the enthusiasm and appreciation felt by the students for these activities. Various bands provided the music for the dances. Starting the year off was the How-do Hop, with Becky Uvalle and Tom Sawyer reigning as King and Queen after having been announced as the Friendliest Freshmen.

The after game dances were successful due to the variety of bands.

Freelancer and Photo Collaborate

A responsible news staff kept the La Serna student body well informed on all campus events this year. Under the guidance of advisor Don Chapman, the students worked hard to meet each deadline with a publication worthy of the first-class rating received in a national newspaper critique. Many interesting and instructive articles emerged from the pencils and typewriters of the staff members in the creative atmosphere of the newsroom.

The La Serna photo staff is also to be commended for their cooperation in working with the news and annual staffs. "A picture is worth a thousand words," and Harry Francisco's cameramen saved the journalism classes a lot of writing.

Mr. Reed added his assistance to the many voices raised in song at the March of Dimes Hootenany. Singing a duet with Chris Bridges, Mr. Reed pitched in with his guitar.

Junior Jan Miller is shown as she races across the finish line. It appeared as though she and Senior Ned Andrews were in a "dead heat" but the judges ruled Jan the winner.

Perhaps the most exciting event of the March of Dimes Week was the tricycle race. Each class entered a minimum of two students. Senior representatives were Bonnie Mellick and Ned Andrews; Juniors, Jan Miller

and Ed Smith; Sophomores, Missy Polk and Ken Maiques; Freshmen, Nancy Eddie and Andy McDonald. Junior Jan Miller won the race and received ten spirit points for her class.

Songleaders helped promote spirit at Pep Rallies.

Rocking out again this year in pep and enthusiasm were the Freshmen through Senior classes, with each class succeeding in really getting into the swing of things as far as participation in school activities is concerned. In class competition, somehow each class came out ahead in something, showing a wide distribution of school spirit. The achievement in this aspect is largely due to the radiant energy of all the pepsters; songleaders, yell leaders, flagsters majorettes, and drill team. Each contributed in its own way to result in an outstanding year of action, fun, and life. La Serna has come a long way in spirit since its first year of operation, and another energetic year fades into history. Wherever you looked was spirit.

Pepsters give an example of the pride shown for our school.

January 15, 1966, La Serna's third Winter Formal was held in the Boys' Gym from nine o'clock until midnight. Sponsored by the Girls' League, Jeanne Griffith, first Vice-President, was in charge of the dance. The theme of the dance, "Royal Ball," was so complete in every detail that as the clock struck ten Cinderella and Prince Charming were crowned. Reigning the remainder of the evening, Hollie Sullivan and Jerry Hubbard were waited on by two pages, and danced to the music of the Kipp Dubbs Ensemble, a nine-piece band with a female vocalist. According to Jeanne Griffith, this year's formal was the most elaborately decorated one La Serna has ever had. The transformation of the gym into a royal ballroom consisted of covering the walls with drapery panels of white, red, and gold, and creating a false ceiling by using "hanging clouds." At the north end of the gym was a grand staircase, which served as the entrance to the dance. Opposite the staircase was the Royal Throne, two beautiful red velvet chairs. For refreshments decorated cakes and punch was served. Color pictures were taken at the price of three dollars a couple and included a five by seven inch photo and four wallet photos. The backdrop for the pictures was a coach.

Pep Rallies Stirred Spirit and Pride in School

The Pep Rallies were climaxed by the Ku Klux Klan and the guest appearance of Batman. At the close of every rally the Alma Mater was

played by the band and sung by the student body.

"For the Red, Gold, White, Fight Team Fight." With school spirit La Serna Lancers resounded loud and clear with yells such as this at all

Pep Rallies. Rallying support for their Lancer teams, students cheered and screamed in anticipation of future victories.

Flagsters in Action

Helping to promote pep and spirit among the Lancers this year have been the 1965-66 Flagsters. Holly Anderson, Diane Baglio, Susan Davis, Rena Fuller, Linda Gibson, and Edith Thomas did an exceptional job of keeping the spirit of the Lancers high at all football games and pep rallies. The girls also participated in parades with the Drill Team and Band, and performed at half time at U.S.C. in November on Band Day. The many hard hours of practice (two hours three times a week) was evident each time the Flagsters performed. For their day uniforms the girls wore reversible red and white checked jumpers with white blouses. At night the girls wore red sleeveless jumpers with circular skirts. Hard work and drive were the keys to their success.

Actively arousing spirit among the rousing La Serna crowd at football games were the spirited flagsters.

Excitement emanated by a twirler becomes contagious.

Majorettes- a Vital Link in Pep Chain

Highlighting half-time shows and pep rallies, the 1965-66 majorettes served as another vital link in La Serna's pep chain. Performing at all football games, the girls also marched with the band in several parades. Wearing white shorts and tops accented with gold, the majorettes included: Karen Gauronsky, Kathy Pence, and Yvonne Reyes. Their enthusiasm helped contribute to a year of spirit at La Serna.

The lively '66 Varsity Yell Leaders propelled the student body through La Serna's peppiest year yet. The squad with John Burk at its head helped keep the various pep rallies and games really jumping. Dressed in red skirts or slacks with white blouses, and red, gold, and white yell leader sweaters, or variations of this same outfit, these pepsters inspired their observers with their outstanding leadership. Performing their many eye-catching routines to familiar yells, echoes of "L-L-L-A-N" and "We're gonna FIGHT with all our MIGHT, we're gonna WIN this GAME TO-NIGHT!" have become alarmingly familiar to La Serna's foes. Yell leaders included John Burk, Mary Martin, Carol Brandom, Bob Bianchetti, and Paul Dunfee. This crew bubbled with vitality, building La Serna's reputation of vigor. It was truly a great year.

Drill Team Cadence Rings Out Spirit

Helping to promote pep and school spirit was the 1965-1966 Lancer Drill team. Led by President Marlene Perrotta, and wearing new red uniforms with reversible capes, the Drill Team highlighted the football season with sparkling halftime shows at all home games. From the heroic antics of James Bond to the frivolous frolicking of Mary Poppins, and from the rugged frontier of the Wild West to the majesty of Homecoming, the Drill Team transformed the stadium into a magic land of make-believe.

Marching forty strong, the Drill Team also represented La Serna in various parades, including the Whittier Homecoming and Christmas Parades, and the annual Riverside Parade. Under outstanding officers, this year's Drill Team was the best ever!

Power Behind The Pom-poms

Practicing in the wee hours of the morning, this year's Lancer Drill Team and Band have entered in many excellent parades. Marching at the head of this year's Lancerettes is President, Marlene Perrotta. Decked out in a sleeveless gold uniform with the letters LS in red on the front, Marlene directs the entire Drill Team through curvy parade routes and muddy football fields. Aiding Marlene in organization and leadership are Vice-President Hollie Sullivan and Secretary-Treasurer Susie Kuehner. Whipping the girls into shape with admirable interest and sacrificed time, is Mrs. Mecherikoff, Drill Team advisor for its five year existence. The Drill Team owes an immeasurable amount of gratitude to its first and foremost leader.

ROW 10: Steve Lasser, Dave Frickert, Jennifer Erickson.

Participating in the Whittier Christmas Parade, the Band confidently marches down Greenleaf. This was one of the five parades in which La Serna cadets performed during the first semester.

Heading this year's Lancer Band is Drum Major and President Jerry Thomas. The marchers added spice to football games, performing in La Serna's four halftime shows, and again exhibited their skill as cadets in several parades during the 1965-66 school year.

Early-morning practice sessions, held on the open football field, were common occurrences during the season of that sport. The band collaborated with the Lancer Drill Team, Majorettes, and Flagsters. The results of their hours of work were the outstanding shows presented to football spectators at home games.

Besides Jerry Thomas, this year's presiding officers were as follows: Secretary Joanne Regehr, Social Chairman Gary Locke, Publicity Manager Les Rosen, Properties Manager Dan Bateman, Librarians Linda Jackson and Tony Koster, and Uniform Manager Linda Homstad.

'66 Publicity Club

Why Don't You Get Your Own Can.

This Dumb Can Won't Open.

Wherever you look, colorful banners, clever handbills, and eye-catching posters helped to make this year's events more successful and exciting. Under the guiding direction of Tisha Cole, the Publicity Chairman, the 1965-1966 Publicity Club also made red and gold lettered spirit ribbons which they sold for five and ten cents.

The result of putting a lot of time and artistic creativity into the projects, was the great turnouts of enthusiastic participation. The Publicity Club contributed largely to the excitement and interest of school activities. Many school organizations and teachers as well, depended on the Publicity Club to make their events a success.

Oh, so that's how it works! Karen Robinson and Ellen Jorgensen watch as Tisha silk screens.

Student Teaching Brings New Experiences

Reading, Riting, and Rithmatic, (or is it Reading, Writing, and Arithmetic?); whichever it is, you can be sure that the Future Teachers Club from La Serna did an excellent job of assisting teachers in the instruction of their Kindergarten, First, and Second Graders.

Wherever you look, students, participating in the E.W.E.E. program, are enthusiastically reading thrilling fairy tales to

elementary students, adding two plus two for their little proteges and getting four (not the common answer of five which many high school students get), supervising games such as dodge-ball, and four-square. They also undertake one of the most frustrating activities of all: assembling the youngsters in two straight lines and keeping the little people orderly as they travel to the cafeteria for lunch.

Wherever You Look-

French Club-Hard

At Work All The Time

Les Chevaliers, the French Honor Society, sets high standards for its members; academically, they must have three consecutive semester A's in French and B's in all other subjects with the exception of one semester C. Although Les Chevaliers wasn't active this year, they did honor all members at their annual dinner. By singing, French club members brought the spirit of Christmas to patients at different hospitals. After caroling, members had a party at the home of club president Karla Stein.

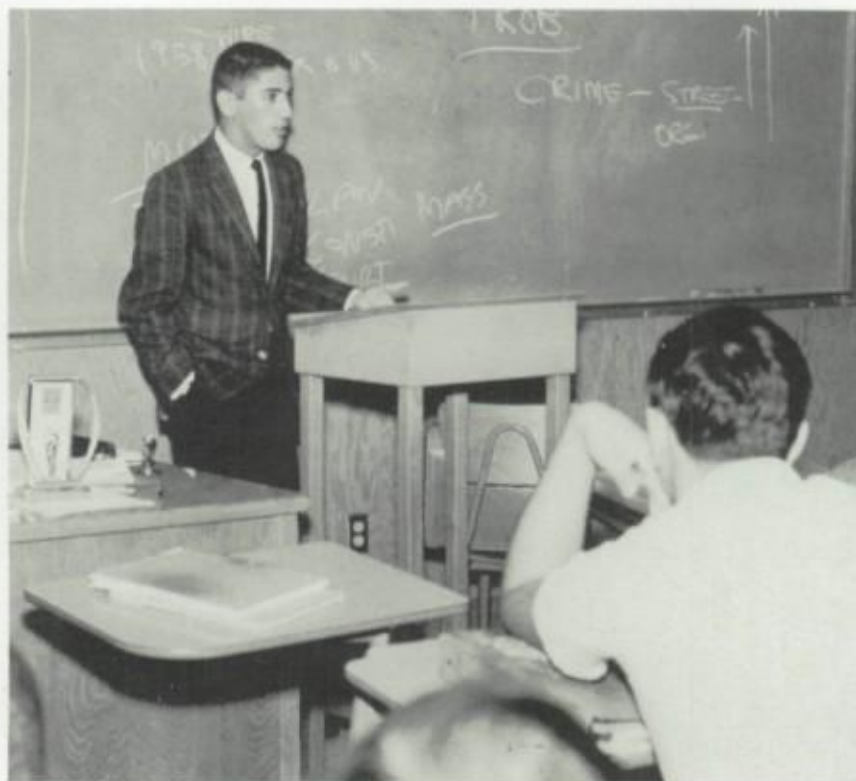

Speech Club Has Guest Speaker

Wherever you look you see Speech Club members making impromptu speeches, and emphatically giving their own original oratories.

The group, led by club president Les Rosen, participated in many speech tournaments and often received excellent and

superior honors for their poetic, oratorical, dramatic, and humorous interpretations. They also sponsored a speech contest for novices.

La Serna's first Speech Club, organized by Speech Coach Alex J. Samarin, has brought great honor and pride to our school.

In order to further their knowledge of German culture and customs, interested members of the German Club made visits to the Hofbrau Haus, a German restaurant, and to Whittier High to view a German movie. During the Christmas vacation, the German Club joined the French Club for a party which followed an evening of French caroling.

Later in the year, President Mike Pitts yielded his leadership to John Philips who took over the presidential duties for the second semester.

Club also planned carnival booth.

Ha! You didn't think

Varsity Club Is Always on the Go

Furthering the Athletic Program at La Serna is the service offered the Student Body by members of this year's Varsity Club. Included in their activities was planning for the showing of surfing films at lunch time.

The membership—headed by club president Tony Brake—is constituted by the earning of at least one varsity letter.

Activities Club Was Important This Year!

Of great importance to school life at La Serna are the many activities that are sponsored by different organizations on campus. Everywhere you look, the Activities Club has been busy arranging and discussing school dances. Under the direction of Curt Spencer, Chairman, the club planned the Homecoming dance in addition to the school assemblies.

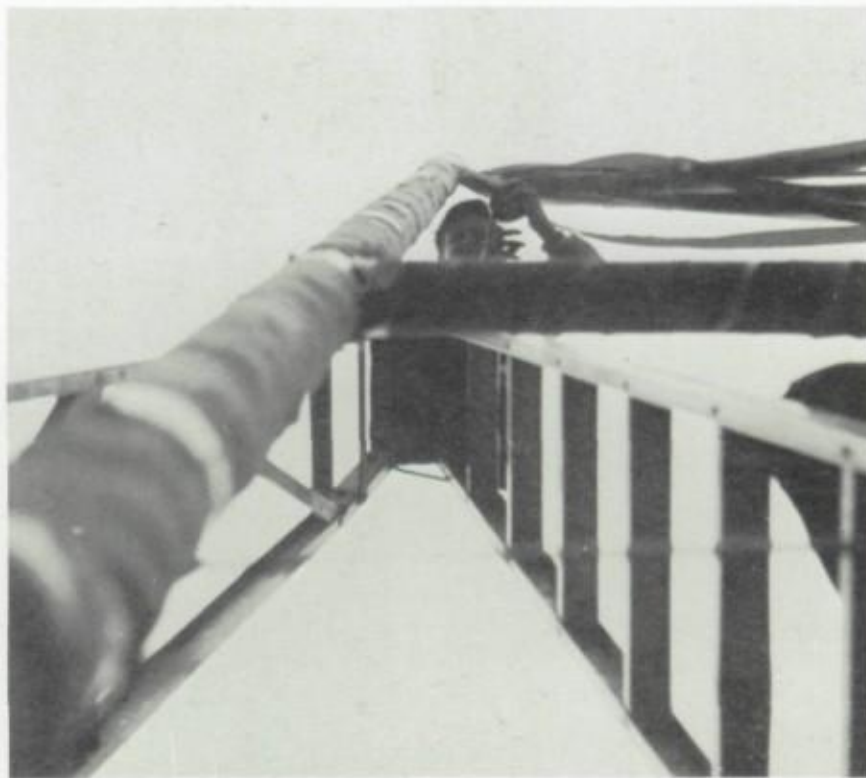

Pep Club Promotes Lancer Spirit

Wherever you look you see the efficient members of the La Serna Pep Club bolstering Lancer spirit by adorning the football goal posts with colorful red and gold crepe paper. And, of course, adding their special touch, sparkle, and untiring spirit to assemblies and rallies.

Under the supervision of Gloria Myers, the La Serna Pep Club met weekly to discuss ideas which would (hopefully) make Lancers more spirited than ever—One of their excellent ideas was to present a skit which emphasized school spirit and its effect on the members of the rugged Lancer teams.

Hey, look at this, just like the Pro's.

Isn't this a good dinner?

Spanish Students Viewed Latin-American Culture

Los Serenos, the Spanish Honor Society, has been on the go everywhere you look. Included in some of the various activities of the 1965-1966 school year, the Spanish students made a trip to Padua Hills, where they enjoyed an authentic Spanish play. Members of the club also started on an excursion to see Las Pasadas, as well as going to the San Gabriel Mission. Under President Rosemary O'Nesky, the club's activities program has proven itself to be very successful this year.

Pioneered into activities by club president Suzanne Brugman, club members toured Whittier Hospital, Fullerton J.C.'s School of Nursing, U.C.L.A. Members Arrange Annual Fashion Show

Wherever you look you will see the industrious members of this year's International Club. The new name is a cover up for its true purpose: to bring a foreign student to La Serna; or to send one of our Lancers abroad for a year.

In order to achieve their high goal, International Club members sold smiling little Lancer basketball dolls at lunch, ran up and down the bleachers yelling, "Programs, programs" in hopes of selling a few hundred to anxious football spectators.

International Club also sponsored a fashion show in March which featured fashions from the Broadway. Through their efforts last year, A.F.S. student Siw Nordstrom spent the 1965-1966 school year at La Serna.

Wherever you look are the active members of La Serna's Finance Club, performing such varied duties as selling tickets at after-the-game dances, punching the A.S.B. card of each student and recording the profits at all Varsity Football and Varsity Basketball events.

Under the supervision of Gary Fujiyama, A.S.B. Finance Chairman, members of this club also sold tickets at all school plays and handled all of the financial business for special dances such as the Winter Formal.

The membership of the Finance Club consists of interested students who have faculty recommendations and/or have performed satisfactorily in the optional interviews held by the Finance Chairman. One of the aims of the club is to coordinate all financial activities of all chartered clubs in cooperation with the Interclub Council and the Vice-President. Another purpose is to tabulate and publicize the intra-district A.S.B. card sales competition percentages and to manage all A.S.B. sponsored ticket sales under the management of the Finance Chairman.

The club advisor is Mr. Ernest Nesseth.

We Thespians Always Work Hard

Started in 1929, The Thespians, a group of theatrically minded people, is now a nation-wide organization. After spending many hours acting and constructing stage props for the plays which are presented each season to the student body, the eager student is initiated into Thespians. Thespians, led by club president Diana Jared, enjoyed plays and listened intently to lectures. They are concerned with drama so as to further their study of the advanced techniques of dramatic production. Aside from actively participating in school plays, Thespians sold refreshments during intermission.

The La Serna Drama Club was not active this year although plans for reorganizing were made.

Although the Lancers rolled over the Calhi Condors 20-12, the varsity gridmen got off to a slow start by dropping their first four league games. With a 2-5-0 record in league play, the team placed sixth in the Suburban League. Various minor injuries and an injury to star halfback Tom McGlone hindered the team considerably during the early stages of the season. However, the team refused to lie down and die. It started to play up to capacity toward the end of the season and wound up with impressive victories over Mayfair and Monte Vista. Many players were responsible for this late season success. Bolstering the line were guards Geno Cole and Ned Andrews, tackle Dave Haberecht, and center Dave Cooley. On the receiving end of many aerals were ends Mike Lee, Cliff Koon, Mike Magnuson, Dan Jacobs, and Keith Bean. Picking up those vital yards on the ground were halfbacks Tony Brake, Doug MacDonald, and Rick Mueller. The efforts of quarterback Ron McIntyre aided the passing game greatly. Ron did a good job all year despite a bad ankle which plagued him for a considerable period of time. With a championship Bee team and several returning lettermen the prospects look very good next year.

Conquering the Suburban League again this year, our rugged team compiled a 9-0-0 record. They racked up 233 points as opposed to 45 for their opponents. The mainstay of the offense was running back Bob Miller, who gained 1329 yards on 166 carries and tallied 73 points. Also helping the offense through the air was quarterback Ken Maiques, who completed 34 of 71 passes for 9 touchdowns. The defensive charges were led by Johnny Churchill and Gary Conwell, who made 95 and 91 tackling points respectively. Churchill figured prominently in the receiving as well with 15 catches for 7 scores. Coach Robinson and Coach Benedetti did an excellent job with the boys as their record indicates. Many Bee players will be of great assistance to the varsity next year.

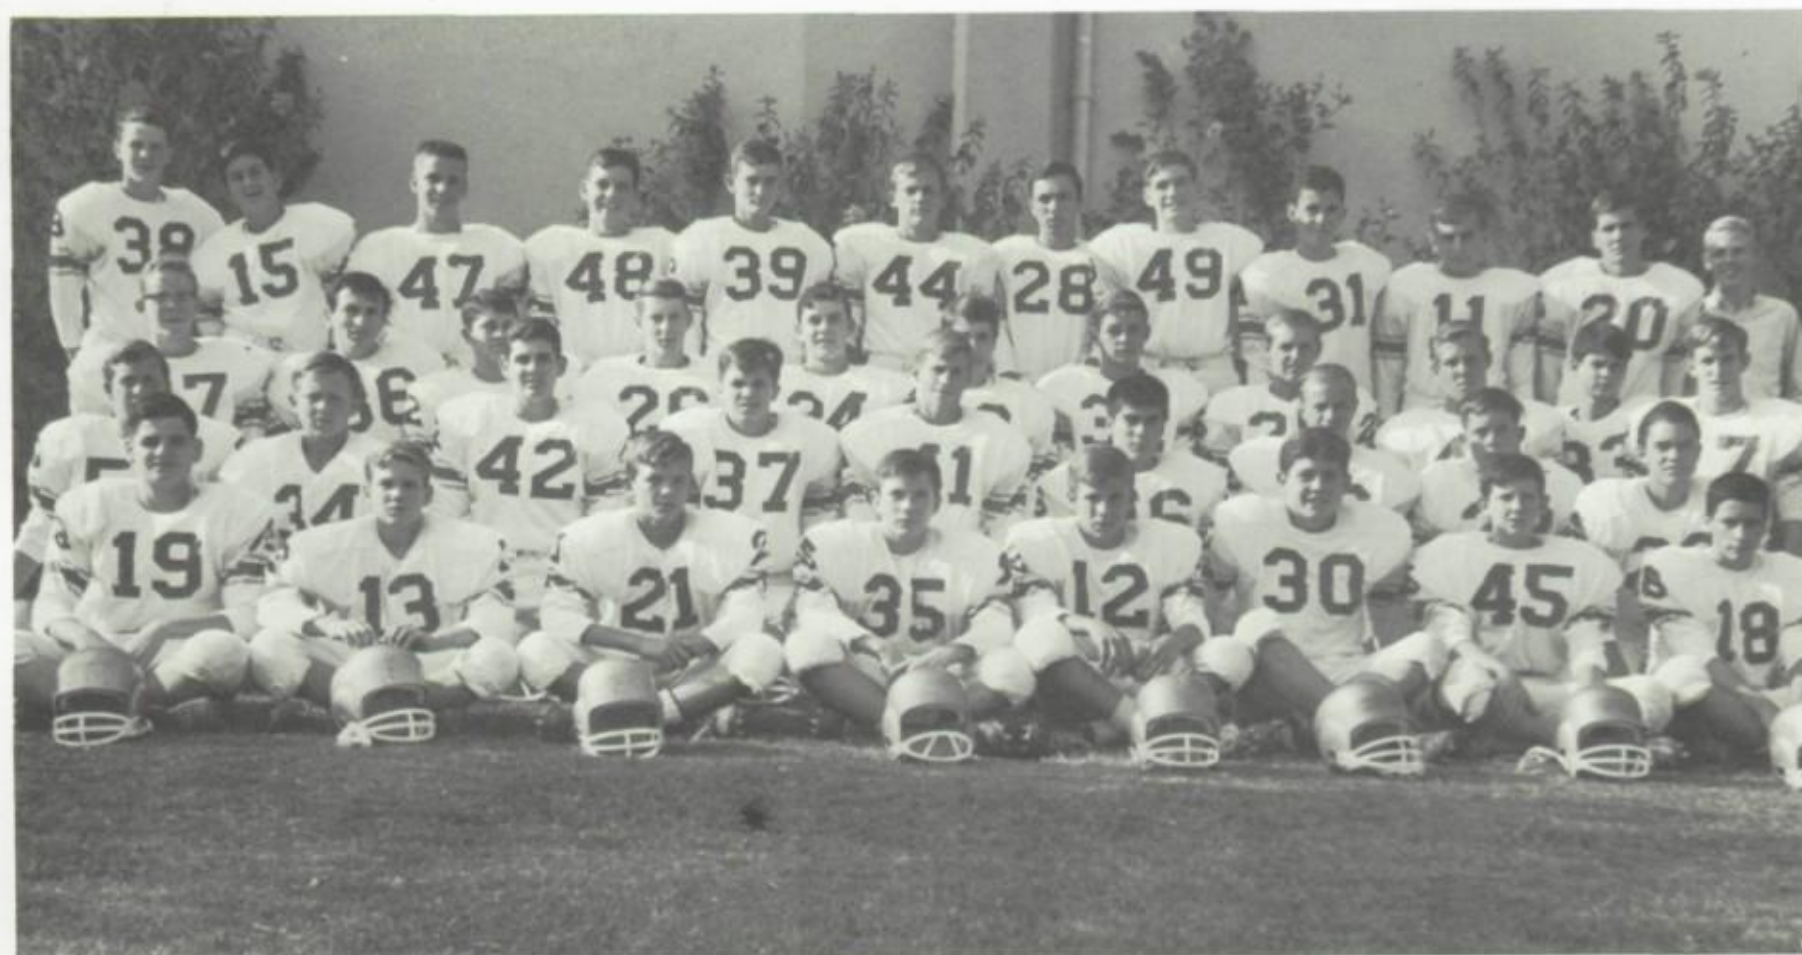

Lancers fight on to victory.

Cee's Take Fourth Place in Suburban League

Completing another highly successful season was our rugged Cee squad. Outscoring their opponents decisively over the entire season, the team fought to a win three, lose only one, and tie three record. Placing fourth in the Suburban League, the team was led by several key players. Crashing hard through the line, back Eric Anderson carried the ball for 483 yards over the season. Passing brilliantly, quarterback Gary Mantifel connected with his favorite target, Tom Sawyer, for several long gains. Courageously strengthening the line were Jimmy Brake and John Coffman. The team captains this year were Anderson and Paul Husband. Displaying lots of hustle and an unbelievable amount of spirit, the Cee team is one we can all be proud of.

An opponent tries to block a Lancer pass.

With the poloists' fight, spirit and courage, the Varsity Water Polo team had an exciting year, although the Lancers faced some extremely rough competition this season. With tremendous action, skill, and coaching from Coach Miller, the team was able to place second this year in the Suburban League. The team's victories stemmed primarily from the outstanding efforts of Captain Brent Clark, also Ted Fisher, John Burk and Terry Martin.

The Lancers had smashing victories over such opponents as Santa Fe, the score 12-4, and La Mirada with a score of 19-1. Our team again showed its strength and skill in our final game against Monte Vista by completely crushing them by a score of 18-6. This year the poloists were able to hold an 8-5 record. The Lancer Water Polo team once again had a successful year.

Bee Water Polo Captures Second Place

The Lancer's Bee Water Polo team ended the year with an 8-5 record; the entire team experienced an eventful season. This year the Bee's were under the direction and guidance of a new Water Polo Coach, Coach Pilgreen. Although the team came out with a second place in the Suburban League, they only missed first place by one game. Again our boys showed their strength and courage against all the other high school competitors. The backbone of the Bee team was exhibited by Captain Mike Biggers, Co-Captain Grant Albee along with Andy Brown, Jeff Harrell, Tom Kenny and Dan Petersen.

These boys showed their skill and ability against such schools as Santa Fe, with a score of 7-3, Montebello with a score of 9-7 and many more wins. The Bee's did not have all the games come so easy, though, as shown by Calhi's win with a score of 5-4 and Monte Vista's win of 7-5. But this did not discourage the Lancer poloists. They came back with victories against Los Altos, Pioneer, La Mirada and Sierra. With the efforts of such skillful Juniors and Sophomores, we should have an advantage on the Varsity Water Polo team next year.

Cee's Take First Place in Suburban League Water Polo

With determination and the superior coaching of Mr. Miller, the La Serna Cee Water Polo team took first place in the Suburban League. The Cee team this year, consisting mostly of freshmen, shows much hope for next year's Water Polo tournament. Defeating some tough opponents such as Pioneer with a score of 15-5 and Sierra with a score of 12-7,

our team ended with an 8-5 record. The skillful playing of John Coye, Bob Nero, Tim Petersen, S. Hoffman, and Bob Lindgren led our team to the first place spot. Following the tradition set by earlier Water Polo teams, the exuberant league victors threw Coach Miller into the pool in celebration of the outstanding year.

1965 Is Rough Year for Lancer Distancemen

Cross Country runners start the long run. A free-for-all; how many will finish the long, grueling, uphill distance?

The Lancer harriers exerted a lot of strenuous effort throughout the fall months running our rugged cross country course. However, due to the sparse turnout of runners, the team did not fare as well as expected. Certain individuals turned in excellent performances, though. Greg Sutcliffe, the captain

of the team, ran consistently well throughout the season. Dave Izant was also a steady performer who worked really hard and did very well this fall. Several underclassmen figure to improve the team's chances next year as the harriers hope to better their no wins and seven losses record.

Lack of Experience Hurts La Serna Harriers

KNEELING: Caples and Howard. ROW 2: Peckham, Seilheimer, Lewis, Griffith, Keen, Horn. ROW 3: Stair, Meyke, Hornby, Koster.

The Junior Varsity and Frosh cross country teams have completed another year at La Serna which aided them greatly in obtaining valuable experience. The JV and Frosh teams were plagued by the same problem as the varsity—a small turnout of runners. The Frosh team, for instance, had only two athletes who lasted the entire season. This unfortunate situation caused them to forfeit all their meets. The JV's were similarly unsuccessful, failing to win any of their seven meets. Although this season was a great disappointment to the athletes and Coach Fessenden, who completed his second year with the harriers, the effort and work shown this fall should improve the distance men's chances for next year. With the returnees and a few new faces, the team should do better in the future.

It Was a Long, Hard Season for the Cagers

Following our Suburban League champions of last year proved to be an extremely difficult task for this season's cagers. Handicapped severely by the loss of two All-League players of last year due to graduation, the team did not perform as well as they had hoped to. Nonetheless, the determined five showed a lot of promise by beating rivals soundly on several occasions. By playing underclassmen almost exclusively, Coach Pribnow took advantage of the chance to provide his players with the necessary experience for future years. Junior Keith Bean

was probably the best all-around performer. Also making noteworthy contributions to the squad were Daryle Futrell, Mike Lee, Doug Schwab, Ken Maiques, Jeff Tisdale, and Ted Bartleski. Although it was not a great winning season, the year was invaluable in that it supplied the necessary experience to the boys who will form the nucleus of next year's squad. With our starting five players of this year returning and some talent coming up from our powerful Bee team, next season should bring a lot more tremendous victories for La Serna.

BOTTOM ROW: Haines, Henry, Drake, Powell, Hindman, Hastings, Fiske, Mgr. TOP ROW: Scott, Dalby, Felix, Churchill, Shaeffer, Robinson.

Hard work, fine sportsmanship, and unwavering effort have been the determining factors causing the success of Coach Martin Pilgreen's Bee team. Wednesdays after school and on Friday nights this spirited team could be seen carrying on the fine tradition of La Serna. High in the Suburban League standings, the team in the estimation of Mr. Pilgreen had given their all, which made for the successful year. George Felix, Mark Shaefer, and Steve Robinson were among the top shooters on the team. Doing an outstanding job in the rebounding department were Dave Dalby and John Churchill. Coach Pilgreen, in his first year as Bee basketball coach, did a creditable job with the team. Because of this, many team members will move up to the varsity next season and help them greatly.

J.V.'s Complete Year with Fair Record

The J.V. basketball team, led by Ron Poole, Tim Pyka, and Bob Linn, started their winter schedule with only fair success. However, due to the organized teamwork, determination, and the excellent coaching of Mr. Lagerborg, the team did register impressive wins over Bassett, 64-31, and John Glenn, 57-40. Tim Pyka scored many points during the season, while the backboards were controlled by the aggressive rebounding of Dave Cooper and Bob Linn. The reserve players, such as Bob Davis and Mike Maloney, also made important contributions to the team. The main purpose of the J.V. team is to provide experience for the players in the hope that they will make outstanding Varsity basketball players in the seasons to come.

Cee's Demonstrate Fine Sportsmanship

Action, fast dribbling, and quick passes have characterized the play of our rugged Cee basketball team this season at La Serna. The team displayed an abundance of effort and fine sportsmanship in the highest tradition of the school. Under the excellent leadership of Coach Kemp, who is in his initial season as Cee basketball coach, the team learned many of the fundamental skills essential for the competitive sport. Led by the superb play of sophomore Tom Phillips, the team's top scorer, freshman Tom Sawyer, and sophomore Stu Hastings, the Cee five managed to defeat many formidable opponents by a considerable margin. Although the team was not

always victorious in their games, their shortcomings did not stem from lack of hustle, effort, determination, and enthusiasm on the part of the squad members. The season was extremely beneficial because it was a chance for many boys who will continue their basketball careers next year to gain experience and proficiency in the sport. Despite the fact that the team did not play as well as Coach Kemp would have liked, the basketball future of La Serna will be greatly enhanced by the presence of this year's Cee players on teams in the coming seasons.

This season's Dee basketball team had a serious disadvantage due to the fact that the entire team consisted of freshmen. The team has done as well as can be expected despite this fact.

The outstanding players leading the team were Frank Russell as top shooter, and Tim Kuehner as their top rebounder. During the season, Coach Viseur kept the team's spirit high, and is

Wrestlers Send Three to C.I.F.

Off to a slow start in their practice matches, our varsity wrestling team, coached by Mr. Robinson, poured it on to win several important league matches this season. Matmen Gary Fujiyama, Greg Sutcliffe, and Ned Andrews were the best performers on the team. At 106 pounds, Fujiyama compiled an excellent record over the season and led the team in number of pins scored. Greg Sutcliffe of the 123 pound division led the team in letter points as well as distinguishing himself by capturing a silver medal for second place at the Edgewood Tournament in West Covina.

Other members of the squad should be noted for hard and long hours of work to improve their wrestling ability. Some of these team members are as follows: Paul Southard, Dave Locke, Jim Pennington, Paul Husband, and Carl McKinley. The success of our wrestling team can be attributed to the determined efforts of the grapplers and the outstanding coaching of Mr. Robinson. With a number of top candidates returning next winter, the team will undoubtedly achieve even greater success in the future.

J.V. Wrestlers Gain Experience for Next Year

TEAM MEMBERS: Evans, Riehle, Riehle, Benton, Grotz, Fremon.

Under the expert coaching of Mr. Robinson, the J.V. wrestling team did its best to carry on the high standards of La Serna's athletic teams. While the team did well as a whole, members also did well individually. Scoring high in personal points were: Pete Lewis, Allen Benton, and Phil Fremon. Other capable team members were: Tommy Koon, Dan Riehle, Randy Shultz, Frank Meyke, and Curt Woolley. Judging from this year's team's physical stamina and desire to win, many players will become valuable assets when they move up to the varsity squad.

Striving hard on fundamentals and on mental alertness, our varsity baseball team launched the season in excellent fashion. With Mr. Benedetti as head coach, the team has shown great desire and promise. Many players on the varsity contributed to the team's success. Doing an excellent job behind the plate and coming up with several clutch hits was Jerry Hubbard. Shortstop Ron McIntyre, the team's best hitter, did a creditable job, too. Playing the hot corner at third, Ed Zosky handled many chances well and did a good job at the plate in the lead-off role. With pinpoint control and a sharp-breaking curve, Larry Essig repeatedly baffled opposing hitters when on the mound. In the outfield, George Felix provided the bulk of the strength. Mr. Benedetti has done an outstanding job in building the team.

J.V.'s La Serna's Best in Five Years

The Junior Varsity baseball team this year, in the estimation of Coach Keough, was the best J.V. squad La Serna has had in its five year existence. Despite a 3-3 pre-league game record, the squad has displayed excellent ability and lots of hustle and desire. Among the top ballplayers on the J.V. team were pitcher Doug Schwab, outfielder Timmy Pyka, and first baseman Dave Dalby. With Mr. Keough instructing the team on the different aspects of the game, the team members all gained

valuable experience by being on the Junior Varsity team this season. Many Varsity standouts of the present season spent time on the J.V. and learned enough baseball to greatly improve their performance in the sport. A large number of the boys on the J.V. nine this year will be counted on heavily to be important assets to Mr. Benedetti's Varsity squad in the near future.

Frosh Show Great Potential

Powered by Cal Andrews, Rich Powell, Mark Larsen, and Alan Stevenson, the Frosh baseball team fought to a 2-2 pre-league record and showed signs of great potential. Coached again this year by Mr. Bosson, the Frosh have been picking up the fundamentals of the game well. With their good team spirit and

hustle, the Frosh have shown a healthy and promising attitude towards the game. The offensive punch was provided primarily by Rich Powell, Mark Larsen, and Doug Keck. The all-around ability and the fine sportsmanship of the Frosh squad makes the team one we can all look upon with pride.

Many Trackmen Excel on Varsity

BOTTOM ROW: Merlan, Rosolanka, Smith, Macy, Myers. ROW 2: Gardiner, Cole, Klinger, Clayton, Griffith. ROW 3: Martin, Simons, Locke, Vido-

vich, Conroy. ROW 4: Paskak, Brugman, Ferguson, Koon, Lee.

This season's Varsity track team proved to be somewhat of a disappointment on the whole; however, certain individuals turned in significant performances. Entered in the shot put and discus, Johnny Merlan was a double-winner in many meets. Cliff Koon excelled in the long jump as well as the 100 yard dash. Gene Cole also did a creditable job, placing often in the 440 yard run and discus throw. In the mile, Carl Myers was a standout. Although the team was not too successful this year, many underclassmen, developing at a rapid rate, should help the team immeasurably for the 1967 season.

ROW 1: Southard, Katz, Broder, Hamner, Stevens, LaVenture. ROW 2: Turner, Horwitz, Strohmman, Byrd, Riehle. ROW 3: Kaplan, Schaffer, Mc-

Bee's Hurt by Small Turnout

Under the expert coaching of Mr. Fessenden, our Bee track team this year did well under the circumstances. The fact that they had a very small turnout of candidates hampered them considerably during the year. Despite this unfortunate condition, the team members progressed greatly individually. Lance LaVenture was one of the team's top runners, competing in the 660 yard run. In the shot put, junior Steve Katz won his event in many of the meets. The hurdling events, both highs and lows, were dominated by Allan Stevens.

Also, in the 220 yard dash, cross-country standout Mal Swift ran well over the whole year. The Bees had numerous outstanding individuals, but, in the words of Coach Fessenden, they "lacked depth." Nonetheless, the trackmen on the squad this year warrant recognition for their determined efforts to improve in their events. Hopefully, 1967 will bring about a larger turnout of boys for the track team, which should strengthen it tremendously.

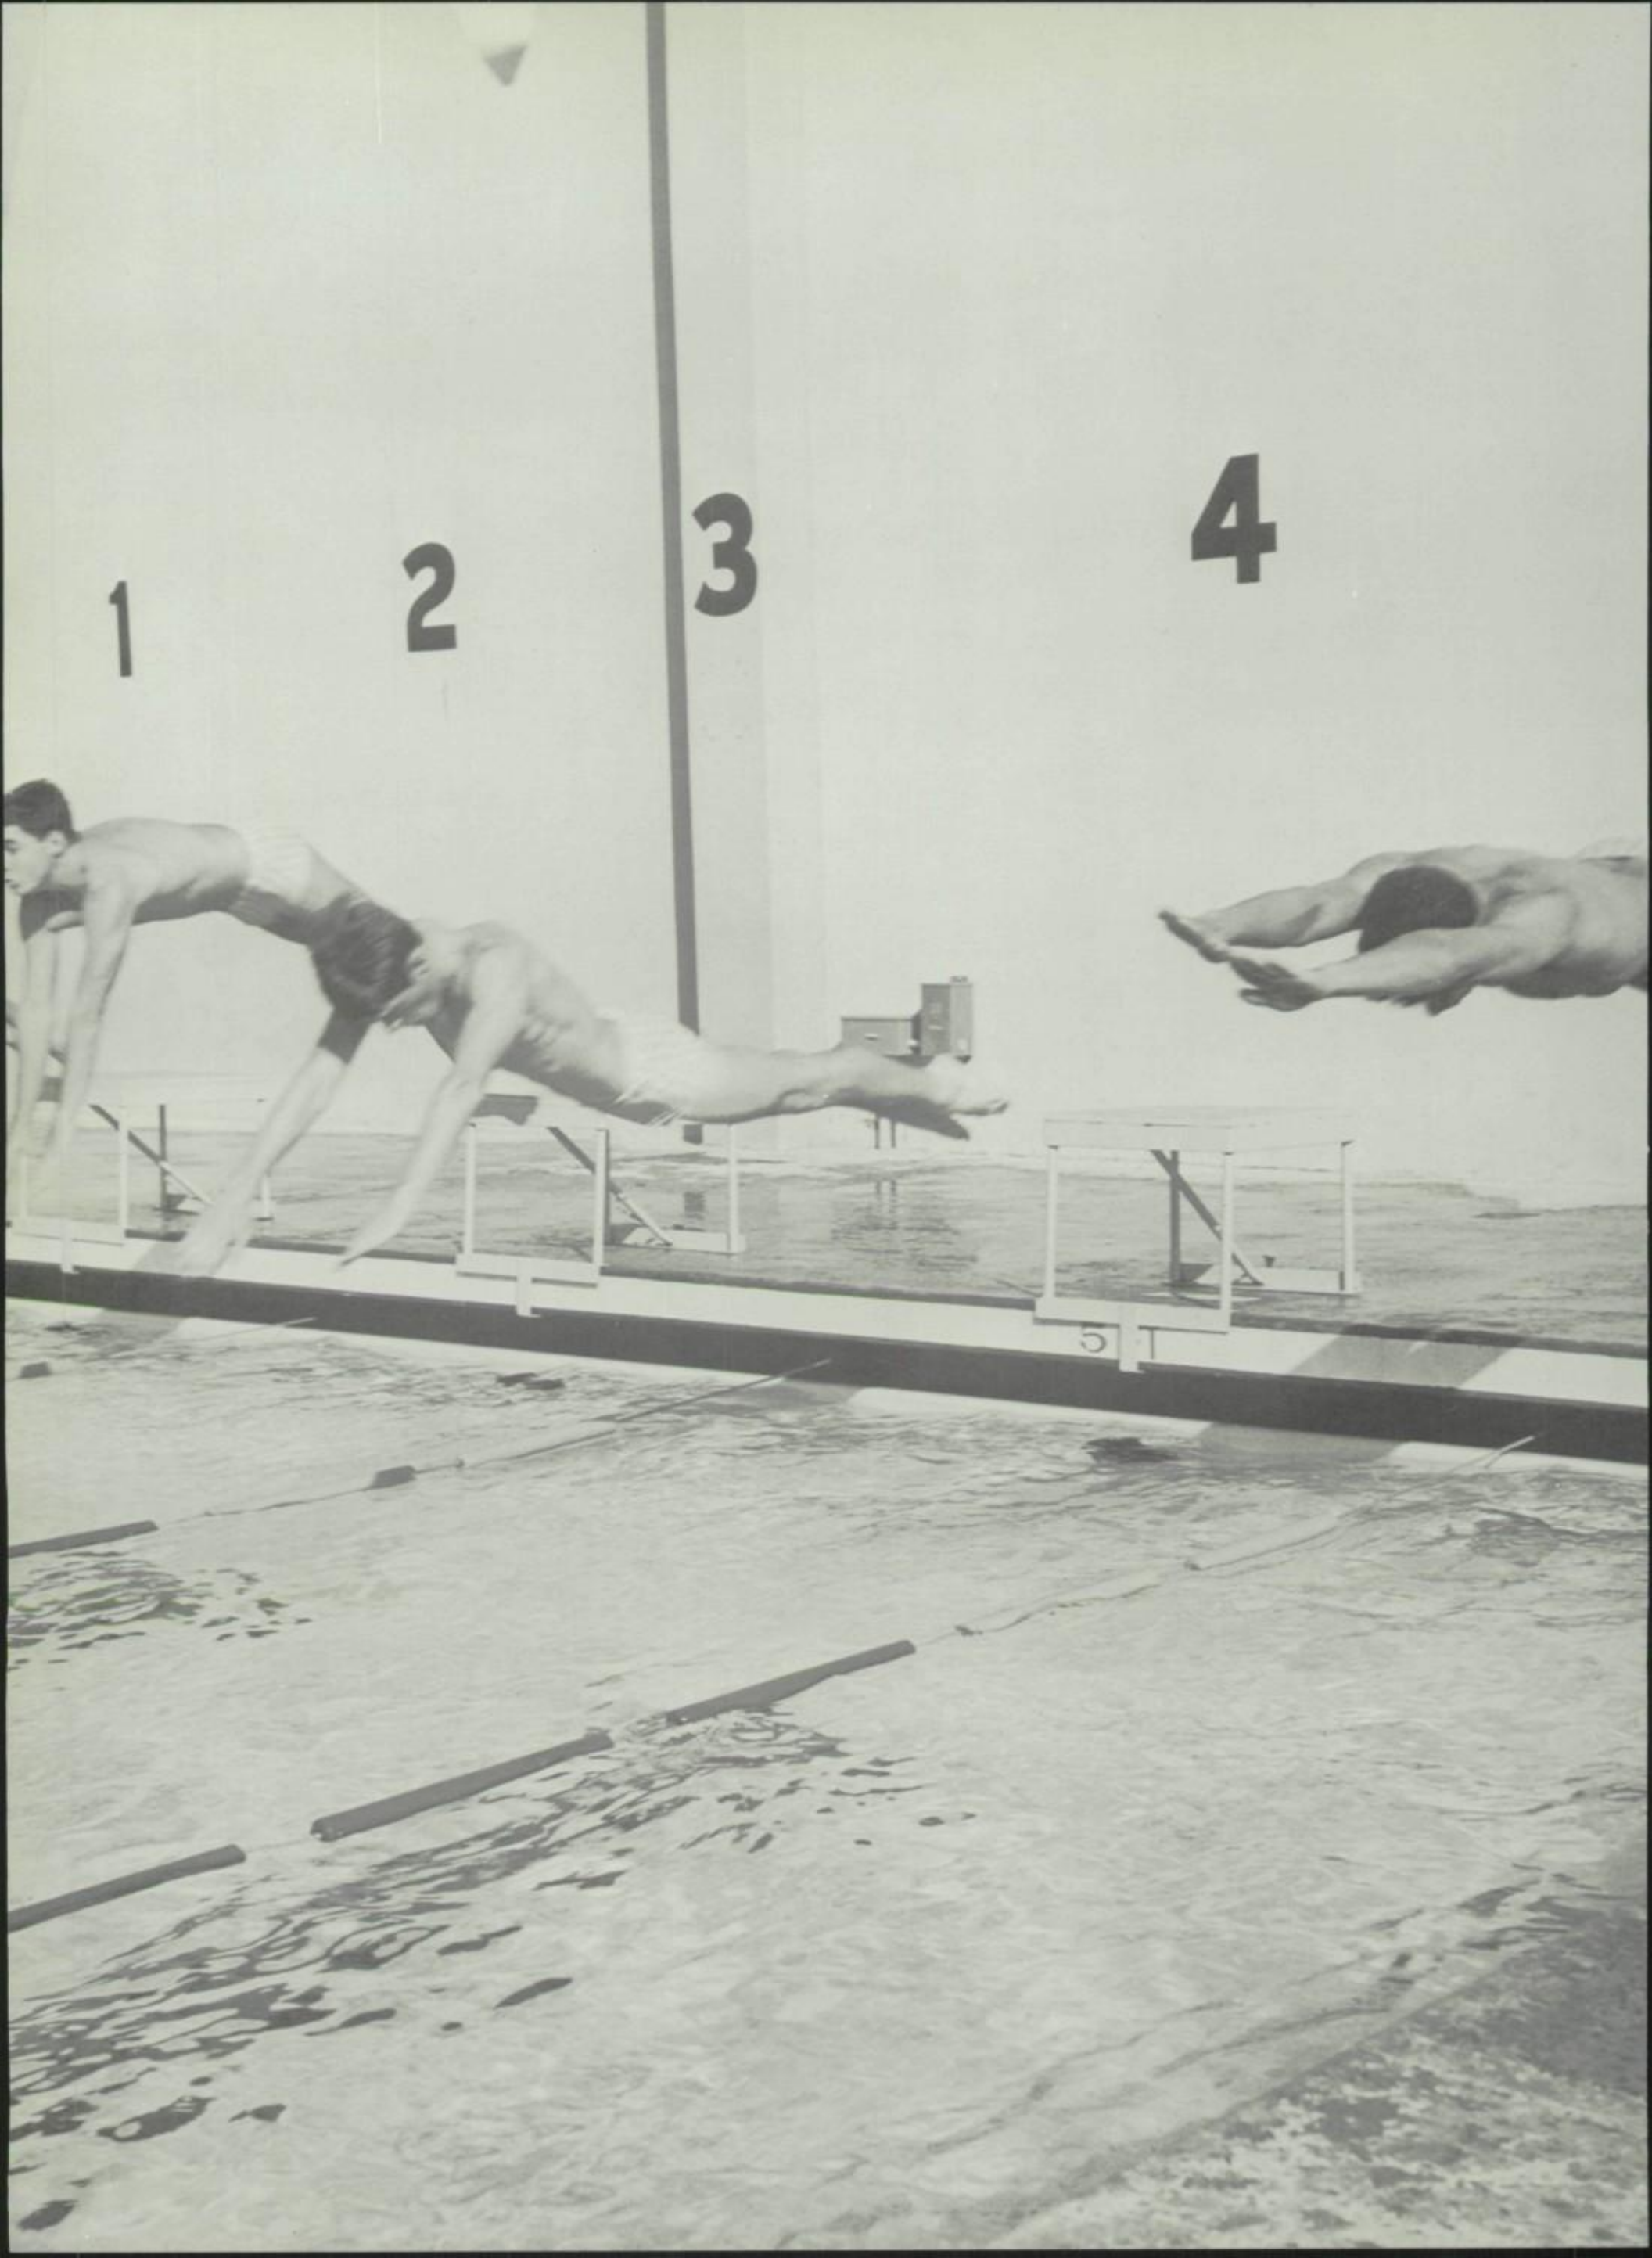

ROW 1: Coffman, Caples, Corbett, R. Boyd, Husband, Seilheimer. ROW 2: Kruly, Mantifel, Kleinhoffer, Wilson, Hendricks, Gardiner. ROW 3: W.

Cee's Provide Nucleus for Future Teams

Practice, hard work, and an unending effort were the shouts of Coach Fessenden, coaching the Cee track team for 1966. He, through the season, tried to teach the team the basic methods that trackmen must have. Because of this effort, many of the squad's members will move up to higher teams next year.

Greg Kruly in the 100-yard dash, Tom Sawyer in the 600 run and Jim Reeves, 120 low hurdles, were some of the team's fine participants. Also, the work of Mike Caples, Gary Mantifel and Dennis Jones rounded out the fine roster. Win or lose, the Cee Track team for this year at LSHS is one we can be proud of.

L.S. Fields Strong Varsity Swimming Team

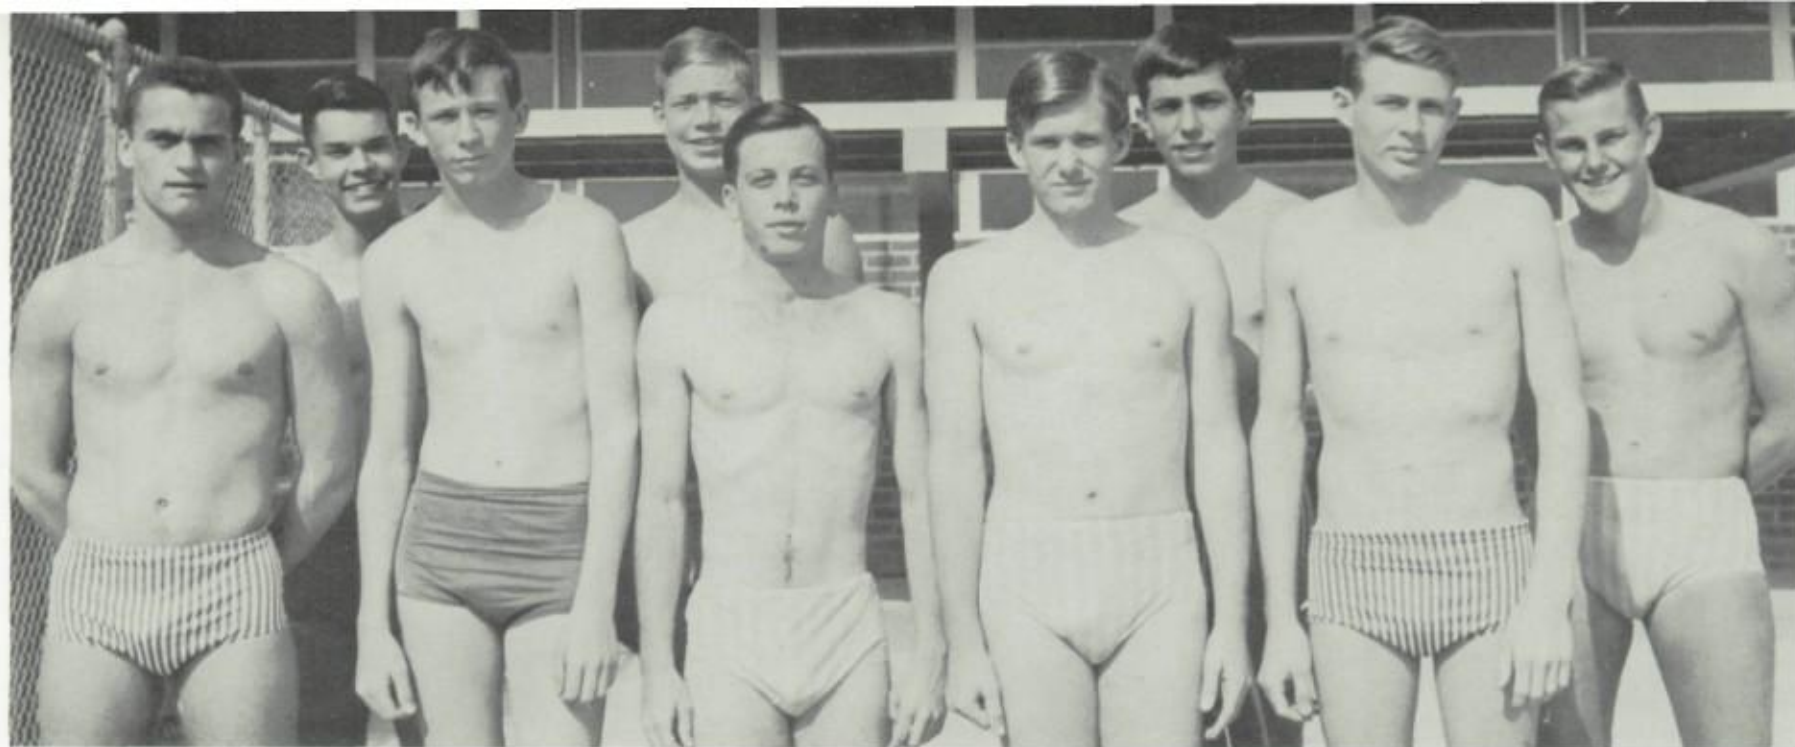

ROW 1: M. Biggers, B. Clarke, B. Murphy, H. Shaeffer, N. Huie. ROW 2: T. Martin, T. Bolitho, M. Andersen, T. Fisher, P. Mihalow.

A serious contender for the Suburban League championship this year was our Varsity swimming team. Winning the great majority of their meets, the team was strengthened by the presence of Ted Fisher, Brent Clark, Terry Martin, and Brian Murphy. These outstanding swimmers practiced many long and strenuous hours after school to reach peak condition for their meets. Coach Miller, an extremely learned and expert coach in swimming, stated during the season that he was "very proud" of his team. The team has set high standards for Varsity swimmers of future years to follow.

Gruelling practices make our swim team successful.

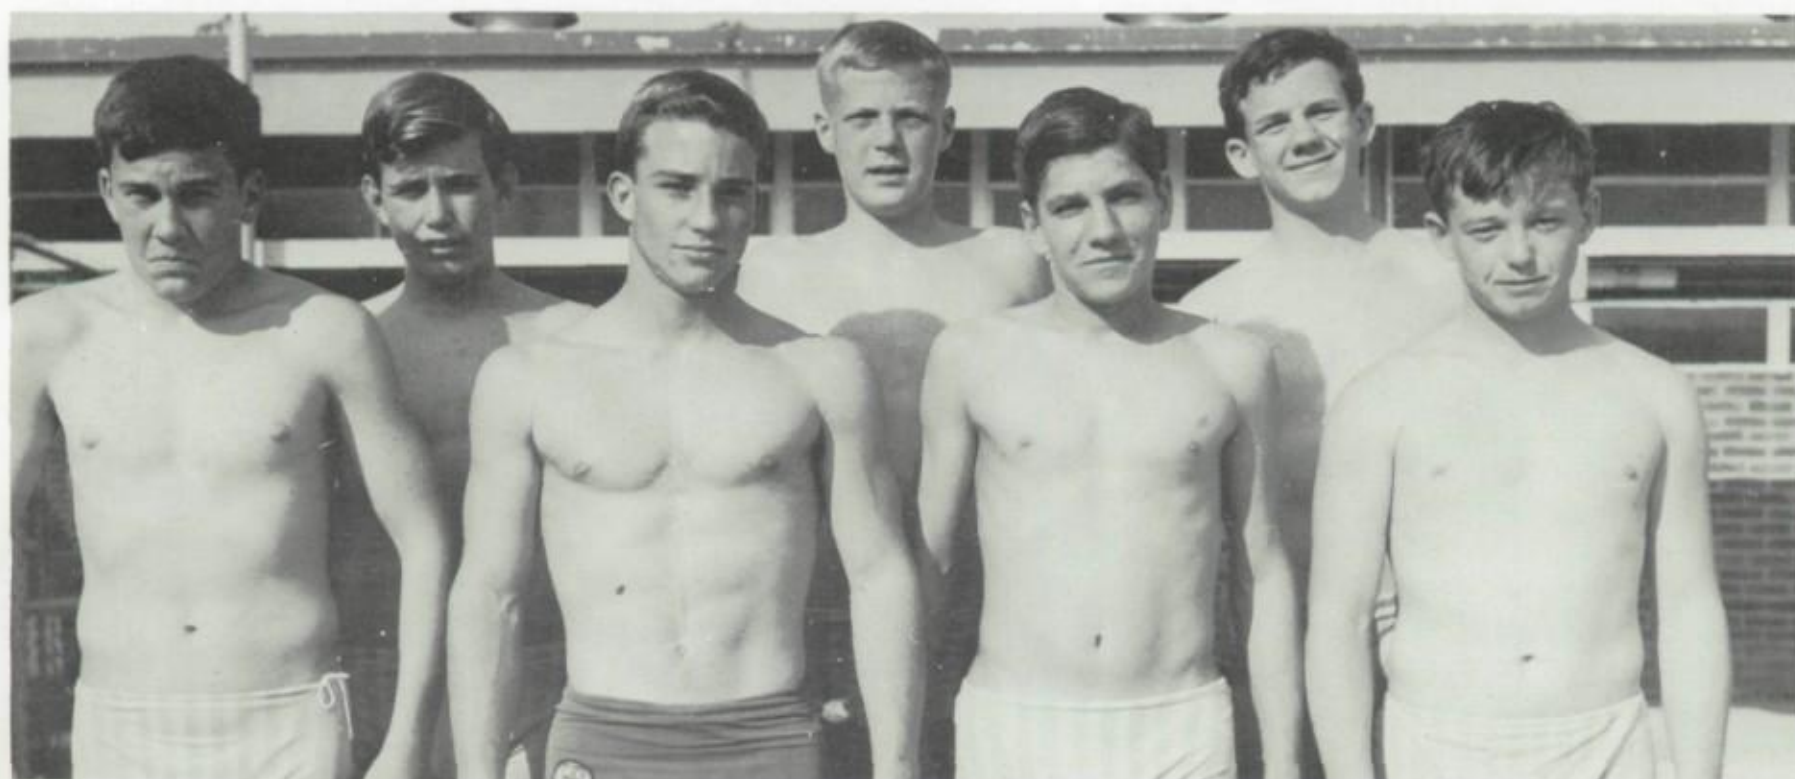

ROW 1: Harrell, Albee, Langen, Peterson, Thatcher. ROW 2: Tettersington, O'Shea, Kenny, Pine.

Bee's Make Run on Suburban Crown

Captained by Tom Kenny and under the direction of Mr. Miller, the Bee swimming team did an outstanding job this year. Their extra year of experience and able membership gave them a 3-0 record at the time of the yearbook's publication, with a strong chance at the Suburban League crown. Among the team's hard-

working members Brian Murphy broke the 100 yard Free Style record set last year. Coach Miller feels that the Bees, like the Cees, are able to attribute this year's success to their over all general ability coupled with their strong spirit and team pride.

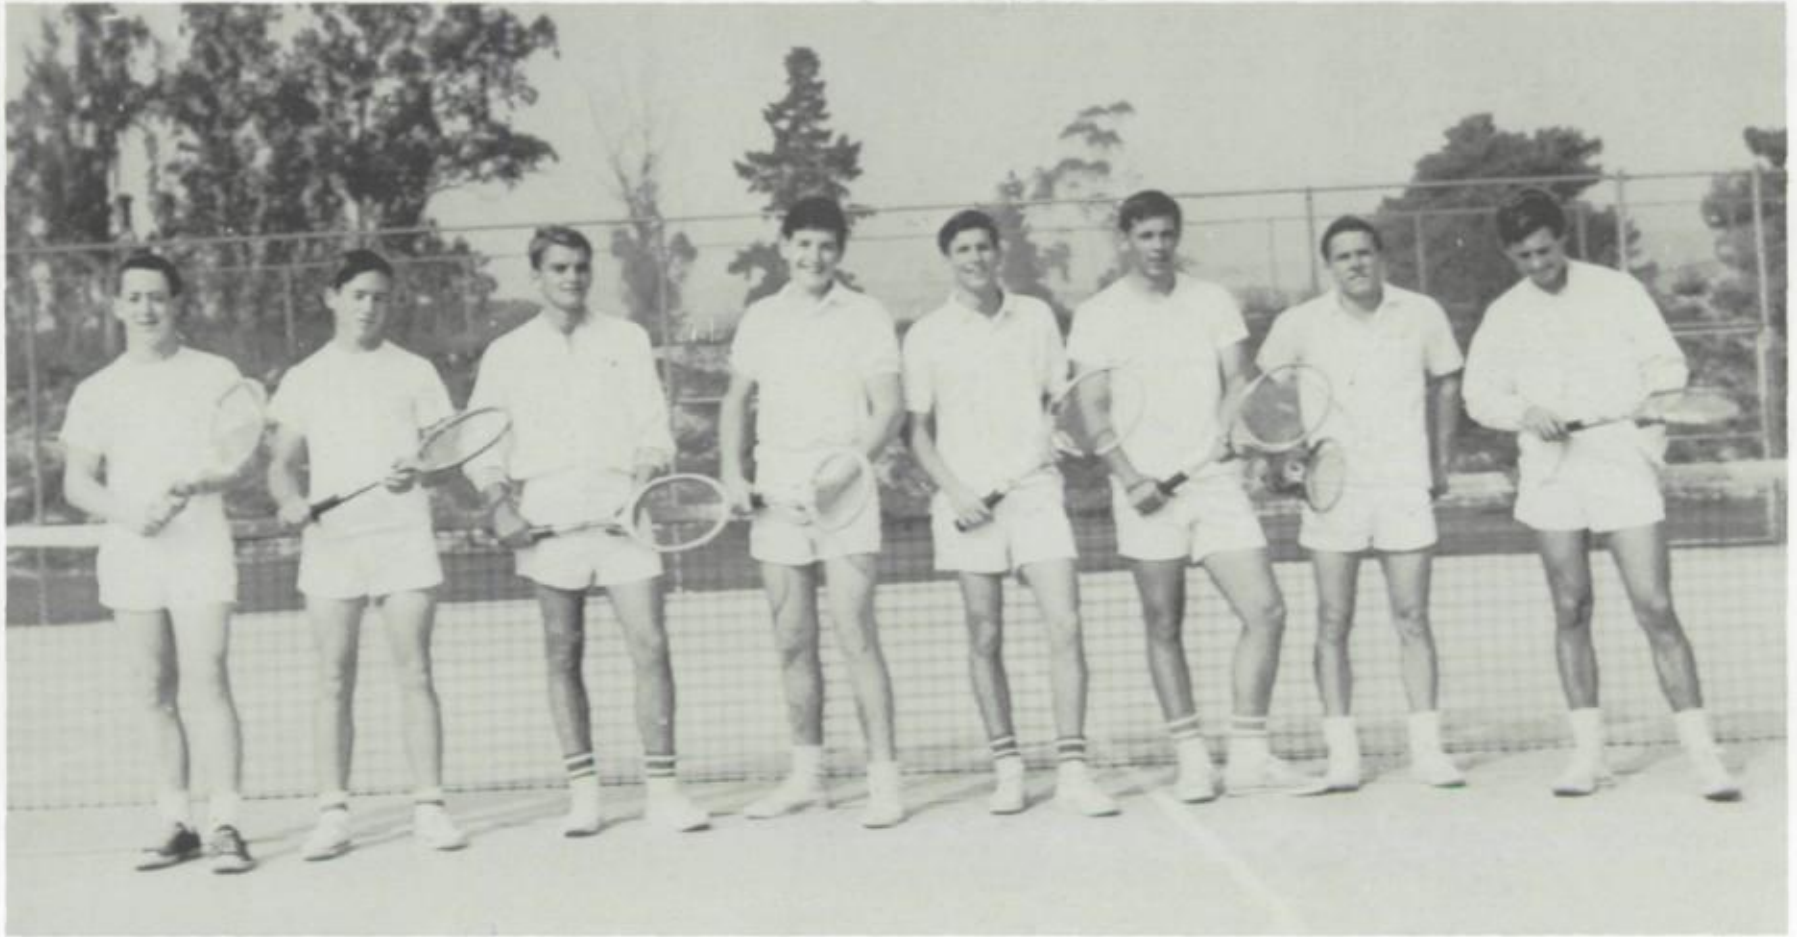

ROW 1: Sutcliffe, Hoffman, Little, Murphy. ROW 2: Moore, Dickman, Albee.

Cee's Make Strong Bid for League Title

Following in the footsteps of last year's winning team, the La Serna Cee Swimmers showed every indication, at the Pennon's publication, of again becoming the Suburban League Champions. With three outstanding victories over Artesia, Monte Vista, and Pioneer, Coach Miller feels that the team's hard work, will-to-win spirit, and general ability will place them in the top ranks of the Suburban League. The Cees had other victories this year, including placing fifth in the grueling C.I.F.

Relays, held early in the year, and capturing the first place honors at the Santa Fe Invitational. It should be noted that all the Suburban League schools were entered in the meet. Several standing records were smashed this year by the superb swimming of John Coye in the 50 yard Free Style and 50 yard Butterfly, while Norm Huie broke the previous Individual Medley record time. The rest of the team also turned in top performances as demonstrated by their league standing.

L.S. Tennis Teams Start Slowly

ROW 1: Brad King, Jeff Wood, Goran Christiansson, Steve Horton, Jim Chinn, Mike Magnusen, John Burk, Dave McMahon

Sporting a 1-5 pre-league record, the Varsity tennis team started their season inauspiciously. However, Mr. Sandberg predicted his netmen would make a comeback during league play. The Varsity squad was led by Jim Chinn and Jeff Wood, the number one and two men. The J.V. team failed to win any pre-league matches, but Mr. Schmidt felt the team would definitely rebound. Spearheaded by Morris, Fisher, and King, the squad put up a good fight and its shortcomings were not due to lack of effort. Next season should bring greater fortune to L.S. tennis teams.

J.V. Team, ROW 1: Hastings, Rosen, Fremon, Thames, Todd. ROW 2: Coach Pribnow, Johanson, Stutzer, Lloyd, Sutton, Linn.

With Coach Pribnow handling both the Varsity and Junior Varsity, our golf teams obtained a substantial amount of knowledge and seasoning. Leading the Varsity's charges were seniors Guy Cooper and Tom Lewis. Also, big Jay Bligh played consistently in many of the matches. Outstanding on the J.V.

team were Chuck Johanson, Mike Todd, and Mark Rosen. The linksmen spent many hours at the driving range and playing various courses in an effort to cut strokes off their score. Both teams deserve a great deal of credit for a job well done.

ROW 3: Whittier, Myatt, Jacobs, Lewis, Cain, Erskine, Carves, Haughey, Morris, Diederich.

Perhaps one of the most ancient of sports, and second only to soccer in world popularity, gymnastics is a grueling activity which requires much co-ordination and bravery. This year's team is made up mostly of seniors, a great number of whom are four year lettermen. Excelling this season on the sidehorse was Rick Caldwell, while Lon Catron did an outstanding job in free exercise. Other valuable team members were Mark Diederich, Rick Whitney, and Duane Hauser. Though a noticeable gap will be left on the graduation of this season's seniors, Mr. Davis, the team's excellent coach, looks forward to a large turnout of new players, and the return of this year's underclassmen gymnasts.

G.A.A. Has Victorious Year

ROW 1: P. Cohn, K. Harkey, S. Bauer, C. Kohles, V. Bradford, J. Consoli, B. Bishop, S. Conwell, S. Holt, J. Griffith, L. Hamner, P. Kernohan, R. Fuller, D. Hawkins, S. Cree, M. McCaslin, K. Hendricksen, L. Elston. ROW 2: J. Fix, L. Chase, C. Baker, V. Downs, M. King, J. Jenkins, D. DeZonia, G.

Folger, S. Hickey. ROW 3: J. Hands, T. Aga, B. Caldwell, L. Jackson, E. Fujiyama, S. Fisher, R. Bishop, L. Bartlein. ROW 4: P. Johnson, J. Andresen, P. Huie, C. Eklund, J. Horner, G. Bordon, T. Cole, G. Klein, C. Fremon.

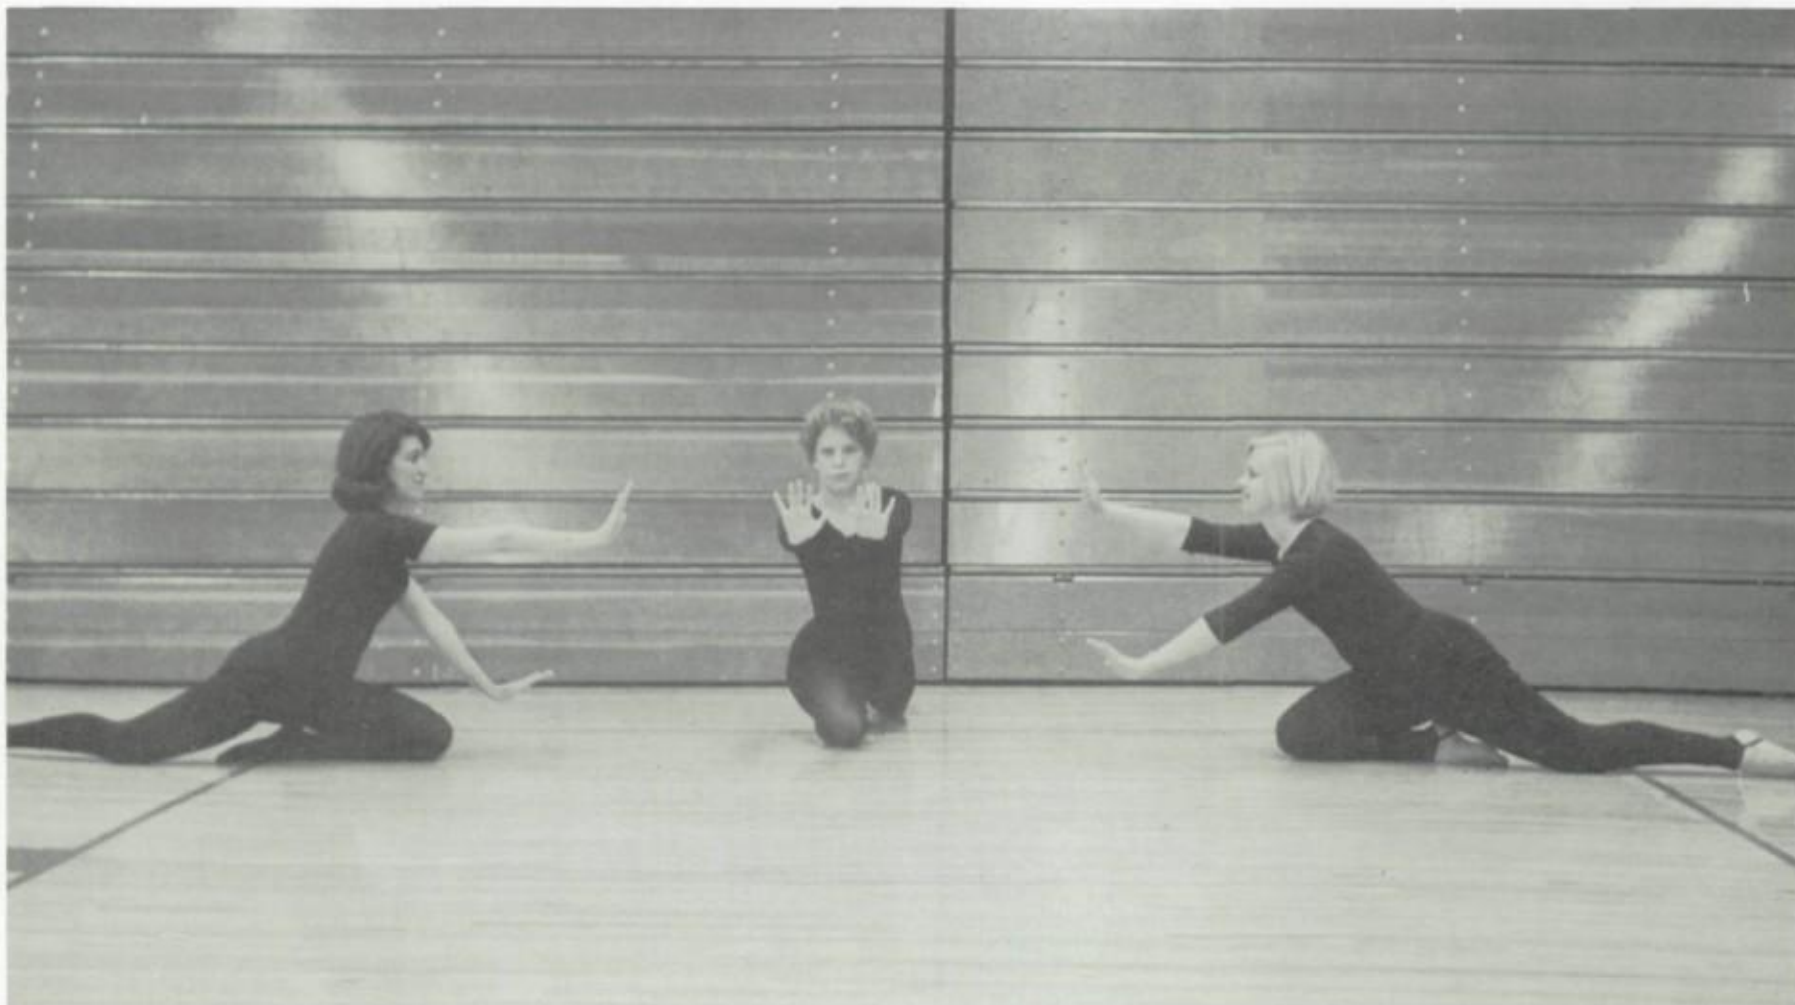

The Girls' Athletic Association is a year round activity for those girls interested in sports. This year's volleyball A team, under the superb coaching of Miss Hewitt and Mrs. Blake, won all of their games except to Santa Fe. The B team fought its way to the District Championship. The A team membership included Sunny Bauer, Sue Conwell, Candy Kohles, Bonnie Mellick, Tiger Oliver, Karen Porter, and Sue Walters.

This year marks the Second Annual Dance Production, "Ingenuie," under the excellent direction of Mrs. Jane Mecherik-off. The program included a jazz number, a comedy skit, a poetry interpretation, and a dance interpretation of Mussog-sky's "Pictures of an Exhibition," ending dramatically with "The Great Gate of Kiev." All the members of the dance production should be commended for a job well done.

ROW 1: L. Stalker, C. Tisdale, S. Rawie, M. Sullivan, D. Wagers, B. Shelburne, M. Stratico, M. Rosenberger, J. Vautier, M. West, J. Wilson, P. Schoellhorn, D. Wood, T. Oliver. ROW 2: L. Walton, M. Stratico, C. West, K. Stone, D. Lanz, A. McCandless, L. Morrow, K. McConaha, C. Sager, K.

Roy, B. Millis, P. Shultz, G. Meyers, S. Walters. ROW 3: S. MacGregor, B. Whitson, K. Marce, J. Shapton, N. Pierandozzi, S. Vondracek, G. Racine, L. Rowe, P. McGlone, M. Mellick, B. Mellick.

L.S. co-eds show tremendous originality in modern dance interpretation.

Tension mounts as G.A.A. member attempts to return ball.

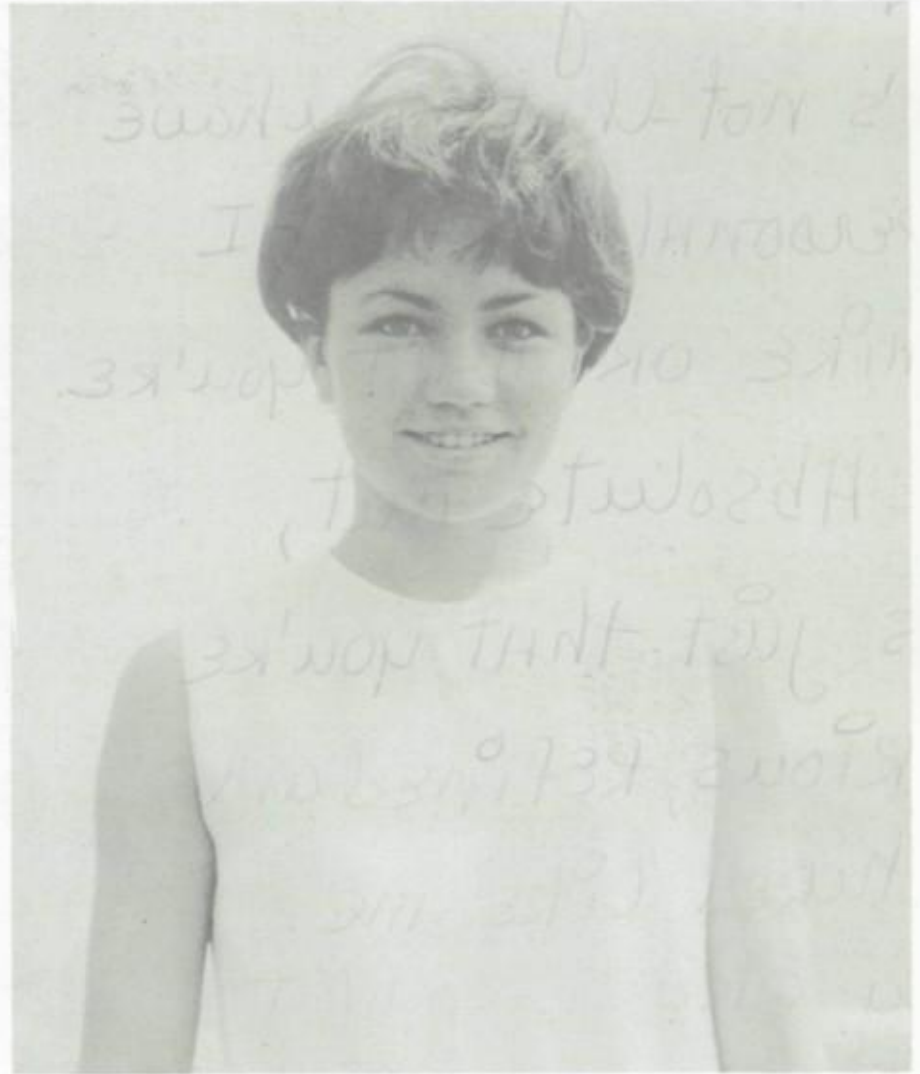

Pat Kenosky prepares to smash a serve over the net.

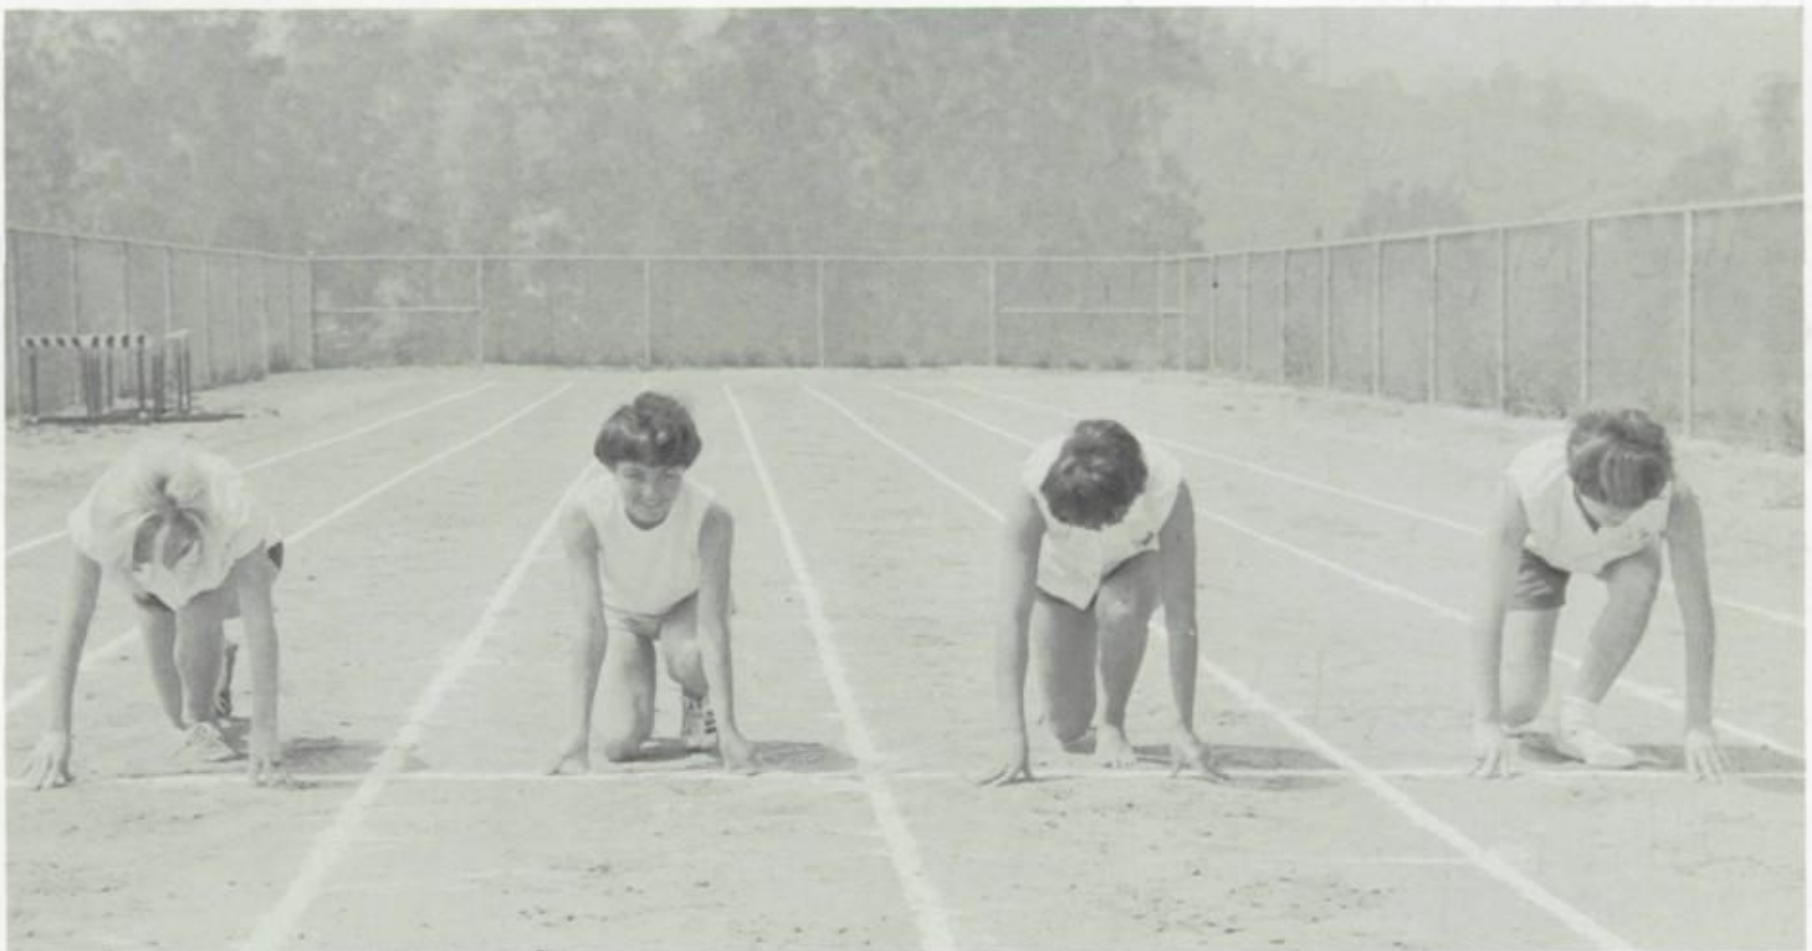

Tisha Contributes Much to L.S.

Tisha Cole, in the past four years, has contributed more than any other co-ed at La Serna High School in the field of sports, especially cross-country and track running events. She has participated in the Girls' Athletic Association and has gone to many track meets around the country. Last summer she went to Columbus, Ohio, for the A.A.U. National Women's and Girls' Track Meet, placed third in the eight-hundred eighty and sixth in the women's fifteen-hundred meter run. In November of last year, in Boston, Massachusetts, she placed seventh in the National Women's Track Event and was also invited, in January of this year to the Los Angeles Invitational Track Meet. To top off this fine record of sports activity, she holds the record in Southern Californian Women's eight-hundred eighty, with a time of two minutes, fifteen seconds and five tenths. Presently she belongs to the Crown Cities Track Club, where she receives expert coaching and training in her field of sports.

Her goals for the future are to continue her running in college and she would like to go to the 1968 and/or the 1973 summer Olympics. We, at La Serna, can certainly be proud of Tisha Cole and the work she has done in her sports events.

Among her accomplishments, Tisha holds the record for the Southern Californian Women's 880.

Practice and exercise will aid Tisha in qualifying in the next Olympics.

As each of us comes to see ourselves more realistically in terms of values and goals, strengths and weaknesses, potentials and limits, we may get a more accurate image of ourself as an instrument in our school activities without being excessively burdened by unrealistic assumptions about ourselves.

The above ideas have served as a guide for myself throughout the past year. They have helped me tremendously in the leadership of our class. But even greater help has been provided by the Class Council and Mrs. Stevens, our advisor. Through their untiring efforts, they have made this a rewarding year. I would also like to thank Dale Halderman, Macy Morris, and especially Joanne Maldonado for their great and unending support and effort.

My sincere gratitude goes to the Junior Class in the support and spirit given to our projects, to me, and our Class Council. Our activities served not only to increase our treasury, but to bring unity to our class, and growth in experience and ability to each individual participating.

Sincerely,

Jay Crawford

"As sophomore class president of the class of '68, I feel it has been a pleasure to preside over such a co-operative class.

I would like to thank our advisor, Mr. Bowers, for all the time and effort he has put into our class council this year. I think I should commend you, the sophomore class, on your excellent choices of council members. Our council showed perfect leadership ability. Any work that needed to be done this year was all on a voluntary basis, and we always had more than enough volunteers.

Although we are the smallest class, we have the largest percentage working for us. Instead of relying on the efforts of a few people, our entire class worked together. I feel this is the reason for such a successful year.

Sincerely,

Ken Maiques

Hi Kuver,
 I don't know where to start. I guess its having had 6 classes together & sharing a locker, too for a year without a single fight (thanks to my agreeable person-ality) But besides a locker we've shared lots of other important things. I've told you things I'd never told anyone else- I guess I trusted you & knew you'd listen. Well, I'll still have my problems next year so be ready. But there's still all those old memories. Hi Jinx most of all- & then the time we doubled to the Ice House. I'll never forget that. And then the Prom + how I broke out- & our donkey dance! Oh I can go on + on. It was so fun listening to you + all your little love problems. You liked so many different guys, I only had one. I guess that was our one main difference. But if we'd been this good of friends last year, we'd

A GIANT OF AN IDEA

Cathy,

It's been so much fun being in Concert Glee with you this year, & you made sound of music so good words cannot express. Always stay as wonderful as you are. Have lots of fun next year in choir. Lots of luck.

Love,
67 Helen Broder

To Cathy:
you did a real good job in the blend of music. Good luck always & have a real rest summer.
your friend,
Steve M. Green

KATHY,
MAN YOU'VE REALLY BEEN LOOKIN' GOOD THIS YEAR - & you also have one of the tuffest personalities around so stay tuff and (s) have fun this summer

Kathy - Baby -
I guess this year is
ending pretty well for
you! Oh, Kathy, I'm
so happy for you!
The sound of music was
the event that brought
our friendships together!
Oh, I wish that would
have happened at the
first of the year cuz now
we're leaving. Kathy, I
may never even see
you again! Ah... I hate
leaving all my friends
now! I'm just learning
to enjoy life and to love
everybody. God bless
you Kathy!

save! for who Kathy?? yes, for who? YES, FOR WHO??

Kathy really wild. summer
you're here this
wild! see you this

- Cathy -
We've really gotten
to know each other
so well this year.
You're such a swell
person, and I really
cherish your friends.
This summer, we'll
really rock - O.K?
Love,
Janis

Cathy -
It's been fun getting
to know you better this
year. I shouldn't really
say 'better', because last
year I didn't even know
you at all. Can you believe
it? Remember this neat
year and help us "give our
all" so next year will be
even better. Have a great
summer.

Love,
Missy

ha! I
spelled it
right!

Gina

guess where I was
gonna write? yeah, right
in the place that you
have reserved! oh, well

Love, your friendship

It has meant so much
to me. Thank you
so much for being my

summer, I'm
just kidding. Just

be good because it's
not nice to be ~~bad~~.
or something

See ya around

Gary Cornell

love, you're

collected

i'm really glad i got
to know you better this
year. You're really sweet
and i hope we can be
together more next year.
You know, i think it would
really be tough if our clubs
could kinda get to know each
other better cause we have
such a good class but we
all really should stick together
more. Maybe we'll see each
other a little this summer
(that's so original) but i really
mean it. Good luck always,

Cathy,
in it's been fun
you were great in the
"Sound of Music". Good
luck always Sue Skara

Cathy,
You were Really Great

 really very enjoyable
 Chester,

- Cathy -
 Well thanks a lot
 for being my friend even
 though at times I imagine
 it was real hard. Good luck
 and see you later.
 Jim Ching

Cathy,
 Things between us
 have become very 'distant'.
 I'm afraid that it is all my fault.
 I guess I shouldn't have become so
 serious with our friendship. I'm always
 willing to start all over. Call me whenever
 you have any problems, and I know I'll call
 you, because I know I'll meet you this summer.

Love,
 Mike

Cathy -
well one year
gone and it
was a wonderful
one until today.
Cathy I'm really glad
that we got to be friends.
I really like you & you
do. But don't chase too many
boys this summer or there
won't be any left for me.
bye love
peg.

Cathy!
Excuse the mistake.
Show's your water
gun. If and holding
out. It and when I
get my license, we'll
go out and swim a few
cars. See you this summer.
Have fun.
Bye,
Janelle

Cathy,
Take it easy this
summer and don't get into
too much trouble

Kathy - gee this year has been
tuff - I'm so glad that you
have ——— what's his name -
oh well - I'll see ya this
summer - bye - Love forever

Cathy -
How's Derek?
Be sure to say 'hello' for me.
You really a brain. Hope to
have you in one of my
classes next year.

Cathy,

you've made a great kid
in "The Sound of Music".

Too bad that I had to be
so nasty to your "family".

I'll always remember you
and your beautiful voice.

Best of luck

Chris (from Germany)
alias 'Herr Keller'

- Kathy -

It's been FUN!
HAVE a ~~big~~ good summer
& Good luck next year.
You better let me
see you this summer.
STAY out of trouble &
Always be as sweet
as you are.

Hi Kathy - Sorry (Cathy)
you are really a
sweet kid and were
really good in Sound of Music.
I guess that's all stuff.
See you this summer, maybe
have you
tuff

Kathy -
How about for this
summer, then you can
be in the world cup
for this year, all the
love always
Herr Keller

manipulation?

Cathy -
I saw you in
Sound of Music -
you were really
quite good. I hope
you continue to be
good in everything
until next year I
see you.
